

A Methodist Minister's Statement.

I can honestly say that COUGHICURA is the best medicine for curing a cold I have ever used. I had not used half a bottle before a severe cold that had settled on my lungs was almost entirely relieved.

C. W. REYNOLDS,
Sundridge, Ont.
Methodist Minister.

Doctors Said She Was Going Into Consumption—Coughicure Cured Her.

Sir,—My eldest girl suffered from a very severe cold on the chest and lungs. I took her to several doctors, all of whom said she was going into consumption and that little could be done for her. I was then persuaded to try COUGHICURA. After the first bottle she began to improve and today she is as well as ever. I would not be without it in the house for anything.

ST. MARYS HAS CINCH.

The curlers curled at Simcoe street rink yesterday afternoon and last night, when group No. 12 played off the semi-finals in the Ontario tankard contest. The latter proved the biggest cinch the St. Marys have had for a long time, and as a result the Stone Town team was entitled to play in the finals at Toronto. The score speaks for itself:
