A SHATTERED CHURCH.

Such scenes as this are common in that part of France that has been over-run by the German hordes and it is typical of the shameless fury that has characterized the fighting of the kaiser's armies. This picture is taken from the battle scenes which The Toronto World is showing at the Regent Theatre this week.

## Had Headache For Two Years

A Barrie Man Tells of Persistent Headaches and Indigestion—Finally Found His Way to Good Health.

Barrie, Ont., June 4.—For two long years the writer of this letter was subject to severe headaches. The nervous system got run down, digestion failed, and there was continued loss of weight. The use of Dr. Chase's Nerve Food changed all this, and now with scores of other Barrie people Mr. Nader is recommending the use of this food cure as the best means of building up the exhausted nervous system and curing headaches, indigestion and all the annoying symptoms of a run-down condition.

Mr. John Nader, 25 Penetang street, Barrie, Ont., writes:

"During the last two years I had an attack of indigestion, accompanied by severe headaches. I suffered from loss of appetite, and my system became run down. I also lost considerably in weight. I began using Dr. Chase's Nerve Food, and as they helped me I continued this treatment for some time. My condition is now greatly improved, my headaches are gone and my health in general is much better. I can cheerfully recommend the use of Dr. Chase's Nerve Food to those suffering from nervousness of any kind."

As a spring tonic and restorative to overcome tired, languid feelings and build up vitality at this time of year there is nothing to be compared to Dr. Chase's Nerve Food.

Dr. Chase's Nerve Food, 50c a box, a full treatment of 6 boxes for \$2.50, of the dealer, or Edmanston, Bates & Co., Limited, Toronto. Do not be talked into accepting a substitute. Imitations only disappoint.
