**Mr. Speaker:** Therefore, I declare motion No. 5 lost. The hon. member for Timiskaming (Mr. Peters), on a point of order.

**Mr. Peters:** Mr. Speaker, in light of the fact that the air-conditioner has broken down and we are now nearing the end of the month of June, and in view of the question you just asked and the responses made by hon. members, I should like to draw Your Honour's attention to the rules of debate, Standing Order 28, which reads as follows:

Every member desiring to speak is to rise in his place, uncovered, and address himself to Mr. Speaker.

I should also like to direct Your Honour's attention to the French version of Standing Order 28, which reads in part, "la tête découverte", which means "head uncovered". Therefore, I should like to draw Your Honour's attention to the hon. member for Skeena (Mrs. Campagnolo) who participated in the vote contrary to Standing Order 28, in my opinion.

**Some hon. Members:** Take it off, take it off.

**Mrs. Campagnolo:** Mr. Speaker, may I rise on the same point of order?

**Mr. Speaker:** Order, please. Hon. members will realize that the Standing Order to which reference has been made does not make reference to voting by members. It makes reference to the intention of hon. members to be recognized to speak.

**Some hon. Members:** Hear, hear!

**Mr. Speaker:** If and when the occasion presents itself, that we have to make delicate decisions of a discriminatory nature

[Mr. Speaker.]

as to the dress regulations of male and female members of this House, we will meet that problem. At the moment, we have not come to it.

The question is now on motion No. 7 in the name of the hon. member for Scarborough West (Mr. Martin).

The House divided on motion No. 7 (Mr. Martin) which was negated on the following division:

*(Division No. 70)*
