

## "GLEANINGS FOR THE YOUNG."

A MONTHLY MAGAZINE, PUBLISHED BY THE PARENT SOCIETY  
FOR CIRCULATION AMONG CHILDREN.

---

The General Committee of the Montreal Auxiliary are desirous of introducing this Periodical among the children of this part of the Dominion.

Copies will be forwarded, on application to either the Rev. James Green, 101 Mackay Street, or Mr. Edward Stacey, Bible House, Montreal.

The Magazine is an interesting one, and well adapted for Children and Youth. With a view to encourage its circulation, the Committee will send 10 copies to any Sabbath School or Club, or to any one address, post-paid, for one dollar per annum in advance. Please send your orders to either of the addresses given above, or give them to the Travelling Agent when he comes.

Yours truly,

GEORGE CORNISH,

*Corresponding Secretary.*

---

Our friends will find the Magazine admirably adapted either for Sabbath Schools or the family. The articles are short and lively, and while most of them are quite captivating, it is perfectly free of the objectional story telling kind, and it is well interspersed with pictures, artistic, chaste and neat. Any one can do much to promote its circulation by bringing to the notice of Ministers and Sabbath School Teachers, or by getting up clubs individually, and we trust every effort will be put forth to do so.

JAMES GREEN,

*Travelling Agent.*

NOTE—Any Child or Youth who collects a dollar or upwards, for the Bible Society, may have a copy gratis, for one year.
