## THE BIG LEAGUES

Braves Take Double Header From Brooklyn

The Giants Beaten

Former Member of Club Does the Trick; Matty's Men Win Eleven

Inning Game; Old Man Plank a Wender

By defeating Brooklyn in a double header Saturday, the Braves demonstrated that they are strong contenders for the championship of the National League. The result of this series will have an important bearing on the final outcome and as a result it is being watched with interest by many thousands of fans.

The Giants were defeated in Philadelphia as the result of superior pitching by the Yankees, held the Mackinnons. Christie Mathewson's aggregation defeated Chicago after eleven innings of hard up-hill fighting.

Twenty-three hits in one game is seldom seen in the major leagues, but such was the case in St. Louis Sunday when the home team defeated Pittsburgh.

Philadelphia surprised fandom Saturday by taking a double header from New York. Shocker, the star young pitcher for Toronto, who was recently recalled by the Yankees, held the Mackinnons.

Three scattered hits but his own teammates were unable to place a run across the plate and defeat resulted. Connie Mack used his star young pitchers, Myers and Bush, and his confidence was not misplaced.

Eddie Plank's pitching against Cleveland on Saturday was little short of a revelation. To hold the Indians to three scattered hits is certainly something to be proud of. It will be of interest to fans to know that Plank was born at Gettysburg, Pa., in 1875 and is therefore forty-one years of age. He signed on with Connie Mack in 1901. He was instrumental in pitching Philadelphia to 1902, 1905, 1910, 1911, 1913 and 1914 pennants. He is estimated the greatest south-paw in baseball.

Present indications are that St. Louis will remain in the first division until the close of the season.

Got \$75 A Month.  
An odd tale comes from St. Louis with George Baumgardner the hero. The Browns wanted to send Baunny to Little Rock, where he was offered a contract for \$75 a month with the provision that he was to get nothing if he did not keep in condition. Baunny declared he preferred sticking around the big show for \$75 per to playing in a minor league for a million dollars a day. Later he changed his mind. Baumgardner is the freak of present day baseball. He has everything that a pitcher should have and could be the most popular card in the game, but he much prefers to chase balls along the side lines or go fishing.Chance's Team Leading
