Wishes of People

At a well attended meeting of the ratepayers of Beauséjour, held on Saturday night, called to deal with the action of the Municipal Council at its meeting on Tuesday of last week, when a petition asking for an audit of the accounts of the Parish of Lancaster, was refused, a resolution was adopted censuring the action of Councillors McCavour and Golding "for their failure to keep their promise to the ratepayers to resign their seats at the Municipal Council."

The meeting was well attended and there was some outpouring of discussion of the present conditions in Lancaster.

It was felt by those present that an audit of the books was the only means whereby a reduction in taxation in the parish could be obtained.

A committee was also appointed to obtain necessary legislation for a full investigation into parish affairs.

The meeting was held in the Beauséjour school house, and was presided over by the chairman, W. H. McFarlane, who was the chairman, and Charles E. Driscoll acted as secretary.

STATES OBJECT.

The chairman stated that the object of the meeting was to determine why two of the parish councillors refused to endorse the petition of ratepayers and failed to continue in their demand for said audit.

The chairman read the following letter, a copy of which had been sent to the councillors.

"Dear Sir:—As I was instrumental in the circulation of the petition for an audit of the financial affairs of the Parish of Lancaster, which petition was presented at the recent meeting of the Municipal Council, with the result that its prayer was not acted upon, I have consulted several of the large tax payers of Beauséjour, and the consensus of opinion is that a public

meeting should and will be held in the school house of Beauséjour on Saturday, the 9th instant, at 8 o'clock p.m. This meeting is open to all rate payers of the Parish of Lancaster, and it has been suggested that a special invitation be sent to each councillor to attend.

"Will you kindly make every effort to be present as the elected representative of the parish. If you find it inconvenient please let me know. A reduction in taxation in the parish could be obtained."

A committee was also appointed to obtain necessary legislation for a full investigation into parish affairs.

PREMIER KING LEAVES CANADA FOR BRITAIN

Says at Dock Dominion
Takes No Grievance to
Empire Meet

QUEBEC, Oct. 10—Canada took no grievance to the Imperial Conference, said Rt. Hon. W. L. Mackenzie King, to the crowd here to bid him goodbye when he sailed Saturday night for England. Canada was to be represented at the conference as a full self-governing nation within the British Commonwealth, Mr. King told the Liberals of the district who gave a luncheon in honor of himself and Hon. E. Lapointe, minister of justice, who accompanied Mr. King overseas.

The morning of a victory and the eve of a departure, the Prime Minister named the occasion. Liberals over in Quebec were in the ancient capital of the day and the Premier was occupied every moment from the time of his arrival from Ottawa the middle of the morning until the Magellan sailed at 9.30 p. m., with informal conferences, hurried calls and two speeches.

ADDRESSES GROWD

Before the ship left, Premier King addressed a crowd of citizens from a special platform on the wharf. Ships' flags were flying everywhere, and a military band greeted the party at the wharf.

The Prime Minister was accompanied to Quebec by Hon. J. A. Robb, minister of finance, who will be acting premier in his absence; Hon. Charles Dunning, minister of railways; Senator Dandurand, as well as members of the official party.

"I am sure we will express your wishes," Mr. King said, speaking at the docks, "when we extend the goodwill and heartiest greetings of the people of this Dominion to the people of Great Britain and the other dominions." It was the custom at Imperial conferences for prime ministers of the dominions to meet His Majesty the King.

"I think I will express your wish, should that privilege be extended to me, if I tell His Majesty that nowhere more than in Canada are there subjects who love him personally and are loyal to the Crown."

The Prime Minister thanked the people of Quebec for their share in the people's election.

UNITY BREED OF DIVERSITY

"Canada's destiny was to be one of 'unity bred of diversity,' a unity in which the people of the Dominion must participate. Canada was again on the verge of an era of a great prosperity similar to the years which Sir Wilfrid Laurier was at the head of affairs."

"In the past 15 years the Liberal party has had great struggles in parliament and in campaigns, but out of it has come a new verdict and now we are facing forward our great policies."

The meeting adjourned with the understanding that the citizens' committee would meet on Wednesday night in the Fairlie court room when officers will be chosen.

"There was much controversy about the dogger that had been circulated and which bore the names of the three councillors. It was said at the meeting that both Councillors McCavour and Golding agreed to let their names go on the dogger, which stated that if they were elected they would agree to an audit."

A tribute was paid to former Councillor John T. O'Brien for his efficiency in municipal affairs.

Mr. Logan informed the meeting that the cost of putting the bill through the Legislature would be in the vicinity of \$100, or \$1 for 100 men. Several men present at once rose to their feet and stated that they would give a much larger amount, if necessary.

COACH UPSETS

A day or so ago a coach, driven by a traveling salesman, left the highway just west of Linden Bridge near Penobscia and after turning over a number of times came to rest upon its side. The top was completely demolished every pane of glass broken and the driver was driving his cows across the highway. The car struck the cow with sufficient impact to hurt the cow to the side of the highway.

3 TRAPPERS ALIVE

AFTER HARDSHIPS

PORT ARTHUR, Ont., Oct. 10—Driven by storm on a small island while en route in a canoe from Dog Lake on a trip for supplies, three young trappers spent three days with nothing to eat except squirrels. After they had suffered from cold and exposure and made their way to shore they tramped through the woods another two days with nothing to eat except a few frozen berries until reaching habitation at the dam at the lower end of the lake. HORSES STRUCK

A team owned by Albert Brancome was struck by a car this week and one of the horses very seriously injured. The harness was severed by severe gash in the throat and breast. The misfortune was aggravated by the fact that the driver, upon realising the damage turned out his lights and proceeded in the hope of avoiding detection. The number of the car was procured, however, and full restitution will be demanded.

It is learned that Mrs. William Dickie, of Cornhill, while on the way to church and accompanied by her daughter, was struck by a passing au-
