NOT MANY ARE BEING ADDED TO VOTER LIST

Large Number Placed at Provincial Contest Made Clean-up

TOMORROW LAST DAY FOR THIS CITY

Polling Places 156 in Saint John-Albert — Talk of Hustings Speeches

According to J. Charlton Berrie, returning officer and deputy to Sheriff E. W. Lynds of Albert county, managing the federal electoral affairs for Saint John-Albert in the approaching election, the number of new voters being added to the lists now open will be comparatively small compared to the large additions made in the late provincial contest.

CLOSE TOMORROW

In the New Brunswick election several weeks ago both the Government and Opposition parties made what was considered a clean-up of all men and women entitled to enfranchisement. Therefore the singular instance of another general election coming on right off has left the field fairly bare of new electoral timber. Tomorrow is the closing day for enlistment and though there is no definite idea yet how many new names have been added it is generally expected the increase will be small.

ABOUT 4500 NEW VOTERS.

In the oncoming federal contest the New Brunswick provincial lists will be used. This means that approximately 4500 voters who cast their ballots for the first time in that election will have the privilege of taking part in the first federal fight. Many who were youths and maidens during elections prior to the provincial contest of August, have now suddenly become federal voters, as well as having exercised their right of citizenship provincially.

FEW BARRIERS.

Any British subject, male or female, having attained the age of 21 and being duly registered, may vote on October 29. There are no property stipulations and there is no barriers. Even the matter of the length of time of residence in the constituency is not stipulated and every opportunity is given the people to express their views at the ballot box if they measure up to the legal requirements outlined.

COUNTRY LISTS LATER.

Whilst the city electoral lists close to new applicants tomorrow the rural lists will be kept open until almost the eve of election. This is a concession made to the widely scattered country sections, and in the past some lists have been known to be handed in just prior to the opening of the polls.

NOT AN EASY JOB.

The duties of a returning officer in a federal election are not all beer and skittles. For instance in the case of Mr. Berrie of Saint John-Albert he is required to have his signature on 45,000 ballot papers. When the paper is folded ready for depositing in the box this signature, the words "Saint John-Albert," confront the eye of the voter so that there will be no mistake as to the validity of his vote.

NOMINATION WEEK LATER.

Nomination day will this year take place for the first time in a federal contest only one week before election. Previously a fortnight has elapsed between nomination day and balloting. It has been arranged through the co-operation of Sheriff A. A. Wilson, to hold the official announcing in the court house, King Square, probably on the top floor, which has been built to accommodate a large crowd. The official hours are from 12 to 2. While as yet there is no prospect of the candidates addressing the people, some enthusiastic workers on both sides are eager that there should be a sort of revival of the old days of the hustings to the fragment to the fragment of people who take their politics seriously.

POLLING PLACES 156.

In a few days Returning Officer Berrie will have posted a complete list of the 156 polling places in the dual constituency with the names of the returning officers, the names of the candidates offering and other comprehensive information demanded by the Federal election act.

HIGH SCHOOL LAD IS HIT BY AUTO

Geo. Barnett's Injuries, First Thought Fatal, Not So Serious.

Struck at Crossing Near School by Car Driven by Owner's Son.

George Barnett, 15-year-old High School boy, escaped serious injury when he was struck and thrown to the ground at the corner of Chipman Hill and Union street this morning a little before 9 o'clock by an automobile owned by Edward Hogan and driven by his son Edward. The Barnett boy was crossing Union street from Chipman Hill on his way to High School where he is a pupil in Grade IX. The Hogan car was proceeding along Union street towards Mill and eye-witnesses said it was travelling at a fairly good rate.

The supposition was that young Barnett thought he could make the crossing before the car got there. He was struck by the front fender and fell on the pavement about 10 feet away, striking on his head and left shoulder.

The driver of the car had apparently noticed the lad endeavoring to cross the street ahead of him, and tried to avoid striking him, for measurements taken by Traffic Policeman Young showed the brakes to have been applied for some 10 feet.

The lad was picked up by some of his school chums and Dr. G. A. B. Addy summoned. He advised immediate removal to the General Public Hospital. Herbert G. Green, transit officer, Bert Fawcett, a visitor in the city from Boston, and Dr. Addy accompanied the boy in the Hogan car to the hospital.

SAY NOT SERIOUS.

A report from there soon after the accident stated that the lad was not seriously injured, but he had received painful bruises about the head and face and was suffering from shock. It was thought at first that his skull was fractured but it was stated at the hospital that happily this was not the case. The report had quickly spread that he had been fatally injured.

The Barnett boy is an orphan and came to the High School this year from the King Edward School. He was adopted some time ago by Mrs. Lottie Ingersoll, proprietress of the Saint John Hotel, where he made his home. It is understood that his father, Sergeant Barnett, was killed in an accident about a year ago in England.

It was said this afternoon at the General Public Hospital that from a superficial examination it is believed that the boy is not seriously injured. An X-ray examination will be made during the afternoon.

LIBERALS TO HAVE PRIMARIES FRIDAY

Convention Here Likely on Oct. 7 to Select Candidates—Royal Probably Monday.

The Liberal primaries here will be held on Friday evening, next, October 3rd, according to announcement made following a meeting of the executive for the city and county of Saint John. The meeting place will be announced later. The nominating convention will likely take place a week from Wednesday, on October 7. R. T. Hayes, ex-M.L.A., presided last evening.

Fred M. Thompson of Hillsboro, Albert county, is speaker of today as connected with the Saint John Albert Liberal nomination.

IN ROYAL.

The Liberal convention to nominate a candidate for the constituency, Royal will probably be held at Sussex next Monday. It is generally anticipated that Dr. D. H. McAllister, ex-M.P., will be chosen as the Liberal standard bearer.

J. M. Perron, organizer and secretary, is now in the city and reports a cordial reception by the employing hairdressers.

The object of the national association, he said, was to bring together the hairdressers of Canada into one association for the encouragement of Canadian manufacture of materials used by the hairdressers. The association also aimed to increase the efficiency of those in the profession by seeking to have them acquire the most modern methods of carrying on their business.

After a long period of ill-health, Mrs. Robert H. Cheyne died suddenly at her home, 420 City Line on Monday evening, leaving her husband, three sons, Dawson, George and Burton, all at home; four sisters, Mrs. Lorne Naylor, and Mrs. Gordon Lister, of Denver, Colorado; Mrs. W. P. Hoyt of West Saint John and Mrs. J. B. Day, of Partridge Island, and four brothers, Rev. George M. Mott, of Turner Falls, Mass.; James and Joseph Mott, of Detroit, Mich., and John W. Mott, of this city.

Mrs. Cheyne was the eldest daughter of the late Rev. and Mrs. O. N. Mott of Washademoak, Queens county, in which place she was born. She had been in failing health for some time, but had showed no signs of increasing weakness, so that her death was a great shock to her family. The body will be taken to Brown's Flats on Wednesday morning on the D. J. Purdy for interment in the family lot there. Rev. Frederick T. Bertram, pastor of the Carleton United Church, will conduct the service at the home this evening.
