**IN CONFERENCE**  
Dr. J. A. Wade, district medical health officer for the western district, of St. Andrew's, is in the city today, conferring with Dr. G. G. Melvin, chief medical health officer.

**AT IT EARLY**  
The bathing brigade of the North West Arm Rowing Club, Halifax, started in for the season on last Saturday by a dip and swim in the briny, which showed a temperature of thirty-seven.

**LITTLE ONES ENTERTAINERS**  
Last evening the Mission Band of Fairville Methodist Church gave an excellent programme of solos, recitations, dialogues and choruses. More than thirty children took part and the work of the tots caused much interest. During intermission home-made candy was sold. Rev. Thos. Marshall was chairman. The proceeds will go toward missions.

**THEY'RE MOVING**  
Yesterday marked a quite general commencement of moving activities and these fortunate enough to escape the rush of May-day by getting their chattels shifted in advance had splendid weather for the process operation. The ubiquitous automobile was pressed into service for the carrying of small goods and from now out families in transit will mark the thoroughfares for a week or more.

**HEALTH MATTERS**  
A meeting of a sub-committee of the Board of Health will be held, upon the return of Dr. J. F. L. Brown, district officer, to deal with the appointment of inspectors for the parishes of Musquash, Lancaster, Simonds and St. Martins. These will be salaried men who are to perform the same duties in the matter of sanitary inspection as attended to by the board's officers roundabout the city. It is understood the appointments will be made in collaboration with county councillors familiar with the situation.

**HOME FROM WAR**  
Driver S. Morrison arrived home on the Olympic. He enlisted in January, 1917, with the 65th Battery, Woodstock, and a week later for England. On May of the same year he went to France where he remained until the signing of the armistice. He is the youngest son of Mr. and Mrs. J. L. Morrison of 14 Cliff street, and one of three brothers to enlist for overseas. Louis of the 9th Siege Battery is at present in England, and another brother, W. J. Morrison, made the supreme sacrifice in last August. Driver Morrison is being warmly welcomed by his many friends.

**JEREMIAH COHOLAN**  
Jeremiah Coholan, a former resident of this city, died at his home in Boston on Easter Sunday morning after an illness of several weeks. Older residents of St. John will remember Mr. Coholan, who for many years was employed with James Harris & Company here. He is survived by his wife, four brothers and two sisters, all residing in the States, with the exception of a brother, Michael, who lives here. Mr. Coholan was associated with his brother, Dennis, in the barber business in Dorchester, Boston. At his bedside at the time of his death were his brothers, John of Chicago, Michael of St. John and Dennis of Dorchester, and his sisters, Miss Margaret of Long Island, N. Y., and Mrs. Josephine Murray of Dorchester.

**THE SCHOOLS AND THE CLOCK**  
The schools reassembled today on the old time after the Easter vacation. Dr. H. S. Bridges, superintendent, informed the Times that while he was empowered at the last meeting of the Board of School Trustees to adopt daylight saving time for the schools should it become universal in a civic sense, he felt that under the confused condition of affairs as pertaining to the clock he would not exercise that privilege until the board met again on May 12th. The chairman of the board, Dr. P. Emery is absent from the city and when he returns a special meeting may be called to consider the matter, but in the meantime Dr. Bridges does not wish to add to the mixed-up state of affairs by putting the schools on daylight time while in some of the homes the standard time is still used.

**THE BUSINESS OUTLOOK**  
A gradual decline of waterfront activities is being felt to an increasing extent in mercantile circles, in the hotels, restaurants, places of amusement and generally speaking all over town. Passengers coming and going and the large crews of the continuous fleet of vessels had an appreciable effect upon volume of business and naturally as these crowds of strangers disappear receipts will shrink. In fact, within a month St. John will be down again to its early summer normal and depending mainly upon its own population for business. On the other hand tourist traffic is expected to be large this first year of peace, when transportation restrictions are lifted and nobody anticipates a season quite as dull as those of the last few years when St. John was "flat" indeed during the winter season.

### FORTY YEARS IN SHOE BUSINESS

C. H. Smith Nicely Remembered and Will Have Three Months Leave of Absence

On Monday the staff of Waterbury & Rising, Ltd., presented to C. H. Smith forty carnations on account of it being the anniversary of the shoe business. Mr. Smith, who is manager of Waterbury & Rising's ever growing branch in Union street, started to work on April 17, 1879, and has continued in the same store—although now much larger—ever since. He says he has seen changes in the shoe business in St. John since he first started in it. The firm of Waterbury & Rising, Ltd., are presenting to Mr. Smith a substantial check and giving him three months leave of absence. Both Mr. and Mrs. Smith intend to take an extended trip very soon and may go as far west as Vancouver.

### AFTER-EASTER WEDDINGS

**Hamm-Belyea**  
The marriage of Miss Muriel Walker Belyea, daughter of G. H. Y. Belyea, of 172 Princess street, to F. W. Hamm, son of Parker Hamm, of this city, is to take place at 5:30 this afternoon in Centenary church. The bride will wear a pearl gray suit with hat to match and carry a bouquet of Killarney roses. It is a very quiet marriage. Rev. Mr. Berry will perform the ceremony. The bride and bridegroom are to leave on a honeymoon tonight for Montreal, and on their return will live in Douglas avenue. The bride was the recipient of many beautiful and useful presents, among which were a lovely cut glass pitcher and tumblers, presented by the Salvage Corps, of which the bridegroom is a member, and a magnificent piano lamp presented by the employees of the Blue Ribbon Company. The church was decorated with palms and spring flowers for the happy event.

**Daley-Daley**  
A very pretty wedding was solemnized this morning at 4:45 in the cathedral, when Rev. Wm. Duke at nuptial mass united in marriage Miss Agnes Teresa Daley, daughter of the late Charles Daley, of Riverside, Albert county, formerly of St. John, and William Francis Daley, son of James Daley, also of Riverside and daughter of the late Mrs. J. A. Daley. The bride, who was given away by her brother, James Daley, walked to the altar, Mendleson's wedding march was rendered by the sister, Miss Vera Daley. The bride looked charming in a silver gray traveling suit with hat to match, bouquet of cream colored bridal roses. The bridegroom, who was dressed in a sand colored traveling suit with hat to match, wore summer furs and carried a bouquet of pink carnations. The groom was supported by Edward Daley, of Elgin, cousin of both the bride and groom. The groom's present to the bride was a substantial check, and to the bridesmaid a beautiful gold watch, and the groomsmen an anachronistic tie pin. After the ceremony, the wedding party motored to the home of the bride's uncle, M. Loyden, 25 Exmouth street, where wedding breakfast was served. Mr. and Mrs. Daley left by the early morning train for Montreal by way of Moncton. They were the recipients of many handsome gifts, including some beautiful pieces of mahogany, cut glass and silver, testifying to the high esteem in which they are held. Out-of-town guests were: Mrs. M. Noonan of Fredericton, James Day of Campbellton, brother of the bride, Mrs. B. A. O'Connor, and Mrs. J. P. Mahoney of Elgin.

### FINE NEW THEATRE

Edward F. Albee, surviving partner in the Keith interests in United States and Canada and owner of the Imperial Theatre of this city and also the Imperial Theatre, Montreal, opened his newest and most modern house of entertainment in Providence, R. I., on last Monday evening. It is named The E. F. Albee Theatre and is a splendid monument to the achievements of its owner who has been thirty years building up the Keith system of houses and regulating the Keith system of booking, routing and classifying vaudeville entertainers. The E. F. Albee Theatre is said to be the last word in refined elegance and convenience. A special train on the N. Y., N. H. & H. Railway carried some hundreds of enthusiastic Bostonians to the Rhode Island capital for the opening occasion and also a similar train from New York. Mr. Albee was the host in both instances and, following the opening of the theatre, there was a banquet. Owing to pressure of business St. John members of the Keith-Albee business family were unable to be present, but the following telegram was sent forward: "Congratulations and best wishes for the success of The E. F. Albee Theatre from its Canadian sister house in St. John, New Brunswick, Canada."

**TO PENSION BOARD**  
Captain C. M. Pratt, M. D., of this city, who has been attached to the hospital service here since his return from overseas now is in Ottawa and it is understood that on his return he will take over the duties of chief medical advisor for the New Brunswick Pensions Board, the office of which is located in this city. Dr. Pratt, who has been acting in that capacity, will receive a permanent appointment of the same nature with the Soldiers' Re-Establishment Commission.
