

DEMONSTRATION OF KLIM

When cooking or baking mix Klim dry with flour, sugar and other dry ingredients. More convenient, no waste, economical, pure and fresh. Use Klim either dry (direct from the tin) or in liquid form with tea, coffee or cocoa. Whipped into water becomes again fresh separated milk. Delicious to drink. Has the natural flavor unchanged.

COME to our store any day this week and learn about Klim and how it can cut your milk costs. See for yourself how convenient it is. Taste and prove its genuineness by its natural unchanged flavor. Come! You'll acquire a new idea of milk, and learn how to get milk food at lowest cost. The uses of Klim will be demonstrated here. E. R. & H. C. ROBERTSON, 11-15 Douglas Ave., Phone Main 3461.

Most Heating Power—Least Waste

American Anthracite

IS ACTUALLY THE BEST COAL VALUE IN THIS MARKET

There's more than price to reckon when you buy Coal: it's the amount of heat you get for your money that counts. The more ash your coal contains, the more that coal costs you, for ash is waste, and the cost of its removal adds to the price of your coal. Chemical and other experiment has shown that

CONSUMER COAL CO'S AMERICAN ANTHRACITE

gives the most in heat, the smallest proportion of ash and other waste and, as a result, you get more for your money. Our American Anthracite is all re-screened before delivery. Should it prove faulty, we will gladly remove and replace it or refund your money.

GUM DECAY CAUSES TOOTH DECAY

Healthy teeth need healthy gums to hug them. Else they will loosen in the gums to act as the gateways of disease germs, which infect the joints or tonsils, or cause other ailments. Forhan's prevents Pyorrhea, if used in time and used consistently. No mere toothpaste does. Are your gums tender, gummy? Are they bleeding? If so, you are certain to have Pyorrhea (Riggs' Disease). Four out of five people who are over forty have it. To you we earnestly recommend Forhan's. It preserves the gums which hold the teeth secure. Brush your teeth with it. Forhan's cleans the teeth scientifically—keeps them white and clean. If gum-shrinkage has already set in, start using Forhan's and consult a dentist immediately for special treatment. 30c and 60c tubes. All Druggists. FORHAN'S, LTD., 307 St. James St., Montreal.
