It is the cheapest medicine ever made. One dose cures common sore throat. One bottle has cured Bronchitis. Fifty cents' worth has cured an old standing cough. It positively cured catarrh, asthma, and croup. Fifty cents' worth has cured crick in the back, and the same quantity lame back of eight years' standing. It cures swelled neck, tumors, rheumatism, neuralgia, contraction of the muscles, stiff joints, spinal difficulties, and pain and soreness in any part, no matter where it may be, nor from what cause it may arise, it always does you good. Twenty-five cents' worth has cured bad cases of chronic and bloody dysentery. One tea-spoonful cures colic in 15 minutes. It will cure any case of piles that it is possible to cure. Six or eight applications is warranted to cure any case of excoriated nipples or inflamed broast. For bruises, if applied often and bound up, there is never the slightest discoloration to the skin. It stops the pain of a burn as soon as appplied. Cures frosted feet, boils, warts, and corns, and wounds of every description on man or heacet. It is the cheapest medicine ever made.
