TURKEY WILL ACT
FOR HERSELF IN
CAUCASUS REGION

Constantinople Newspaper Explains Situation From Ottoman Viewpoint—Ambassador To Berlin Dead.

Amsterdam, July 30.—Turkey is going to handle the situation in the Caucasus according to her own ideas. This is indicated in a telegram from Constantinople dated July 28, which quotes an article in the newspaper Nasir-i-Mikmar presenting the Turkish view-point.

"We have nothing to say against the principles laid down in the Brest-Litovsk treaty," says the newspaper, "but when the Caucasus, newly re-organized, turned toward us, and master of its own destinies, refused to be bound by the treaty, what was more natural for us than to take into consideration the necessities of the new situation created by our own eastern front? Could we close our ears to the appeal of the government of a people largely of the same race and same creed as ourselves?"

"We are aware of the action, and its present progress, to place under German control Tiflis and Baku. That is a logical consequence of the application of the Brest-Litovsk treaty. How could this treaty be taken in to consideration in the affairs of the Caucasus seeing that the Bolshevik government has not even been able to return to us, in accordance with the treaty, our eastern frontierland that in the Caucasus influences freely independent of the Bolshevik government have arisen."

This reported attitude on the part of Turkey may account in part for the report received through Copenhagen that Turkey and Germany had severed relations.

Turk Ambassador Dead
Amsterdam, July 30.—Hakky Pasha, the Turkish ambassador to Germany, died last night in Berlin after a short illness, a Berlin dispatch announces today.

CLASH COMING IN
NORTHERN RUSSIA

Entente Force on Murman
Coast and Germans and
Finns Expected.

London, July 30.—A conflict between Entente forces in the Murman region and combined Finnish and German troops is imminent near Enderby, according to passengers on the first steamer to arrive at Vardo, Norway, from Archangel since the autumn of 1917, says a Christiania despatch to the Daily Express.

The Germans are reported to be moving toward Pechenga, the coast from Enderby and are repairing a road built some years ago by the Russo-Finnish government. It is believed the Entente forces are constructing a road from Pechenga to Saltijarvi to meet the ice belt way.

CASUALTIES

Ottawa, July 30.—Today's list of eighty casualties includes ten killed in action, five died of wounds, five died, one missing, two missing, believed prisoners; fifty-six wounded, five gassed and four ill. Those from the Maritime Provinces and Quebec follow:

INFANTRY

Wounded—S. W. Sweeney, Ellenton, N. B.; W. H. Morris, Halifax, N. S.; Washington, July 30.—The United States army casualty list today contains 145 names, including Harry M. Baxter of Wolfville, N. S.

TELLS DYSPETICS

WHAT TO EAT

Avoid indigestion, Sour Acid Stomach, Heartburn, Gas On Stomach, Etc.

Indigestion and practically all forms of gastric trouble, say medical authorities, are due nine times out of ten to an excess of hydrochloric acid in the stomach. Chronic "acid stomach" is exceedingly dangerous and sufferers should do other one of two things.

Either they can go on a limited and often disagreeable diet, avoiding foods that disagree with them, that irritate the stomach and lead to excess acid secretion or they can eat as they please in reason and make it a practice to counteract the effect of the harmful acid and prevent the formation of gas, sourness or premature fermentation by the use of a little Bismarck Magnesia at their meals.

There is probably no better, safer or more reliable stomach antacid than Bismarck Magnesia and it is widely used for this purpose. It has no direct action on the stomach and is not a digestant. But a teaspoonful of the powder or a couple of five grain tablets taken in a little water with the food will neutralize the excess acidity which may be present and prevent its further formation. This removes the whole cause of the trouble and the meal digests naturally and healthfully without need of pills or artificial digestants.

Get a few ounces of Bismarck Magnesia from any reliable druggist. Ask for either powder or tablets. It never comes as a liquid, milk or effervescent in the Bismarck form is not a laxative. Try this plan and eat what you want at your next meal and see if this isn't the best advice you ever had on "what to eat."

ST. JOHN MAN JAILED

Fredericton, July 30.—Herbert Perrie, of St. John, in the police court this morning for assaulting a constable, while the latter was discharging his duty, was given one year in jail with a fine of \$100. On the expiration of that sentence in the default of the payment of which there will be an extension of one year to the sentence.

FLAVOR-FULL

KING COLE ORANGE PEKOE

KING COLE ORANGE PEKOE TEA

Undoubtedly there are degrees of flavor. Take Fruit for instance—you select an orange, and on eating it you find it to be flavory, certainly, but sharp—acid; choose another, a riper more matured fruit, and it is luscious, the flavor is mellowed and rounded—it is FLAVOR-FULL. Nature made a better job of the second orange. Exactly the same is true of Tea. Nature is not equally kind to all. It requires expert knowledge and continual care to select and combine FLAVOR-FULL Tea to produce the delicious cup obtained from KING COLE Orange Pekoe. If you love your cup of Tea, unusual pleasure awaits you in KING COLE Orange Pekoe.

Ask your Grocer for it by the full name—
King Cole Orange Pekoe
The Extra in Choice Tea.
