Fewer railway passengers and fewer employees were killed in accidents in 1914 than in the United States than in any year since 1901, when the law that requires monthly accident reports became effective. It is understood that 24 new regiments will be raised in Western Ontario, including Toronto. Hon. Robert Rogers states that at least 20 new regiments can be recruited in the West. Commissioner Black, of the Yukon, was given permission to raise a company of infantry in Dawson City to 250 strong.

Rev. John McNeill, former pastor of Cooke's church, now minister at the Central Presbyterian church, Denver, Col., has received word that his son, Scott McNeill, of the 4th Battalion, Scottish Fusiliers, had been wounded in the big drive in the latter part of September. A bullet just missed his head and went through his ear.

To get an idea of the terrible enormity of the fighting lines of the Allies against the Hun, Austrians and Turks, they are now facing each other over a distance of 1,835 miles, all told. This does not mean any doubling up of lines, but means that the Allies have altogether today a frontage of 1,835 miles against the barbarians. There are probably 15,000,000 men under arms watching day and night for a weak spot somewhere in all this distance.

Judging from the bill of fare at Carling's Heights, London, no one who enlists need have any fear of starvation. Here is a list of the rations served each man daily:—Bread, 1 lb.; fresh meat, 1 lb.; potatoes, 1 lb.; bacon 3 oz.; beans, jam, butter and sugar, 3 oz.; fresh vegetables, 6 oz.; cheese, 1 oz.; split peas, 1 oz.; salt, 1 oz.; coffee, 1-3 oz.; tea, 1 oz.; pepper, 1-3 oz.

REIGN OF FORCE DOOMED

Allies Will Not Falter Until Rule By Militarism Ceases.

Speaking at the annual lord mayor's banquet in London on Tuesday night, Premier Asquith said that there is no more doubt now than there was a year ago that Britain is right and will win. Assurances were given that Serbia will yet be restored to her place among the nations and that the allies will stand together in bringing about that result. Hon. Arthur Balfour declared that the enemy has been completely foiled on the west and says that the fleet is the basis of the allies' strategy. From the speeches:—

PREMIER ASQUITH.
"We have no doubt that we are right and that we are sure to win." "We should not falter nor pause until we have secured for the smaller states their charter of independence and for Europe itself its emancipation from reign of force."

MR. BALFOUR.
"The German strength has passed the flood tide. It is now on the ebb." "When I look at the allies' strength growing every day when I observe the strain put upon the enemies growing in like manner, until it seems as if we are already in sight of the time when the strain will become intolerable, I look with serene confidence on the outcome."

Division Court.
A sitting of the Fifth Division Court was held at Glencoe on Tuesday, Judge Macbeth presiding. Only two cases were on the docket, but for numbers in attendance and amount of evidence taken it was like one of the old-time court sittings, about 150 people being present and the proceedings extending over most part of the day.

Arthur George, of Newbury, sued the corporation of the village of Wardsville and Thos. Jones to recover payment of twenty rods of wire fencing. The corporation had built quite a piece of wire fencing and the twenty rods was an extension to the original amount built. The dispute was as to whether the corporation had the right to erect the extra twenty rods. Jones, it appears, ordered the extra fence, but without authority of the council, and neither he nor the council felt called upon to pay for it. The amount in dispute is about seven dollars and the costs of the case so far are well up to twenty dollars. Judgment was reserved.

Alex. Stuart vs. D. M. Stuart was a dispute as to wages. Judgment was reserved in this case also.

Treasurer of Mosca.
At a special meeting of the Mosca township council held at the McAlpine House, Glencoe, on Friday evening, Dugald W. Gillies was appointed treasurer to succeed the late J. W. Watterworth.

It was moved by F. J. James, seconded by Andrew Gardner, that Harry Harvey be appointed treasurer. Moved in amendment by D. N. Munroe, seconded by E. F. Reycraft, that Dugald W. Gillies be appointed treasurer.

Amendment carried on the following division:—Yeas—Munroe, Reycraft and Graham; nays—James and Gardner.

It was resolved unanimously to forward a letter of condolence to the widow and family of the late J. W. Watterworth, who had so long and creditably filled the office of treasurer of the municipality.

Local Option Petition.
At the regular monthly meeting of Glencoe council on Monday evening a petition was presented signed by 97 ratepayers of the village asking that the Local Option Bill be submitted to a vote at the municipal elections on the 3rd next. The petition was received and will be dealt in the regular way.

A number of accounts were passed for payment.

How Would You Like It?
Any man who wishes that he was a woman should try it for a day. Fasten a counterpane and a blanket round your legs; buckle a strap around your waist so tight you can't draw a full breath or eat a hearty meal; have your hair all loose and fluffy so that it keeps tickling your ears and getting into your eyes; wear high-heeled shoes and gloves a size too small for you; cover your face with a veil full of spots that make you squint; fix a huge hat on with pins so that every time the wind blows it pulls your hair out by the roots, and then without any pockets and with a 3-inch square of lace to blow your nose with, and short sleeves and open-work stockings, go for a walk on a cold day and enjoy yourself. Oh, yes, you'd like it, all right.

Potatoes at Local Points.
On Saturday last, on the local farmers' markets throughout Ontario, potatoes sold as follows per bushel:—Belleville 82c to 85c, Berlin 81.00, Cobourg 85c to 90c, Chatham 81, Guelph 81, Hamilton 90c to 95c, Kingston 90c to 91, London 90c to 91, Owen Sound 80c to 85c, Peterboro 90c to 91, Port Hope 75c to 80c, St. Thomas 81 to 81.10, Woodstock 81.

Thos. Sablin, of Eglinton, says: "I have removed ten corns from my feet with Holloway's Corn Cure." Reader, go thou and do likewise.

Charles Knapton Dead.

The death occurred at Victoria Hospital, London, on Friday, November 6th, of Charles G. Knapton, of Wardsville, following an operation for appendicitis. Mr. Knapton came to Glencoe with his family from Napier about twenty-five years ago and resided here up to a few months ago, when he moved to Wardsville. He carried on shoemaking both here and at Wardsville. He was in his 74th year and leaves a wife and family. The funeral took place from the Grand Trunk station, Glencoe, to Oakland cemetery on Sunday afternoon, service being held in the Presbyterian church, conducted by the pastor, Rev. George Weir.

HOW A SOLDIER DIED

Body of Lance-Corporal Harris Found Still Holding Rifle.

Mrs. Harris, wife of the late Lance Corp. E. G. Harris, who was killed in action at Neuve Chapelle in March, has just received word from Sergeant Bowman, of the 4th Black Watch, who recently discovered the body, a letter giving details of her husband's noble death. Sergt. Bowman discovered the fallen soldier's identity from the number and articles in the pockets of his uniform and writes as follows:—

"His Battalion as you know was severely cut up in front of the wire entanglements. In one hole alone there was 90 bodies, as a huge board testifies on the spot. Well, your brother was lying well over the German trench, so he must have got well in front of the Battalion."

He was struck by shrapnel, as his cap, etc., was all holes. He had been covered up in a hurry, but the heavy rains, etc., had washed away the earth and I noticed a part of the head as we were working. We dug him out and found him in a crouching position still holding his loaded rifle with one cartridge in the breech and four in the magazine. We buried him in the same spot as he fell, about 1,000 yards to the left of the Neuve Chapelle village, and now well behind our front line. He is buried deep enough now and we made a little cross and placed it on the grave. It reads "Pte. Lee-C. (Capt. E. Harris, 2nd Scottish Rifles, killed in action 10th March, 1915. Among his other belongings was a soiled testament."—Petrolia Topic.
