A MAN OF A THOUSAND.

A Consumptive Cured.

When death was hourly expected, all remedies having failed, and Dr. H. James was experimenting with the many herbs of Calcutta, he accidentally made a preparation which cured his only child of Consumption. His child is now in this country, and enjoying the best of health. He has proved to the world that Consumption can be positively and permanently cured. The Doctor now gives this recipe free, only asking two a-cent stamps to pay expenses. This Herb also cures Night Sweats, Nausea at the Stomach, and will break up a fresh Cold in twenty-four hours.
