Is sometimes called the sincere form of flattery. This may account for the number of imitations of the original and only positive corn cure—Putnam's Painless Corn Extractor. All such fail to possess equal merit, so when purchasing get the genuine "Putnam's." Safe, sure and painless. All druggists.

**PUTTNER'S EMULSION OF COD LIVER OIL WITH HYPOPHOSPHITES,**

**CHEMICAL REPORT.**

CHEMICAL LABORATORY, Dalhousie College, Halifax.

HALIFAX, N.S., Jan. 30th, 1886. I have made analysis of Samples of the EMULSION OF COD LIVER OIL, prepared by the Puttner Emulsion Company, and they have explained to me the details of their process. The ingredients used, and the mechanical processes to which they are successively subjected, enabled this Company to prepare a Permanent Emulsion without the use of ACIDS or ALKALIES. This preparation has been known to me for many years, and when carefully prepared, is certainly a great improvement upon Crude Cod Liver Oil, not only being milder in flavor, but having the more substantial advantage of being in the best form for digestion and assimilation.

GEORGE LAWSON, Ph. D., LL. D., Fellow of the Institute of Chemistry of Great Britain and Ireland, Professor of Chemistry.

PUTTNER'S EMULSION is sold by all Druggists and General Dealers.
