OUR-- CHRISTMAS SUPPLEMENT.

Every subscriber to GRIP ought to send for a copy of our Great Christmas Supplement,

THE PORTRAIT

—OF—

SIR JOHN A. MACDONALD, G.C.B.,

In full official dress. Aside from its political and historical significance it is a HANDSOME WORK OF ART, and when framed would grace the walls of any drawing-room. We have placed the price to subscribers at ten cents, and every one of them—Grit and Tory alike—should send for a copy.

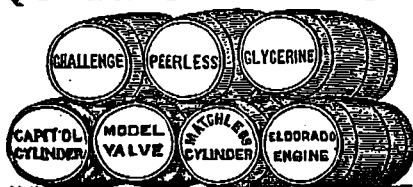

The sale of this supplement has met with great success, and many of our subscribers have already procured copies. We have had to issue several editions of GRIP in order to supply the demand. We trust GRIP's readers will not miss this opportunity of getting the best portrait extant of Canada's premier.

Only Ten Cents to Subscribers of "Grip."

Send that amount in stamps to

"Well, hens eat worms and small fish, don't they?"

"Yes."

"Well, you see, we use city water, and the hens are very useful."
