

# Time is running out

The Dalhousie Faculty Association is prepared to meet with the Board of Governors

—anywhere— —anytime—

if there is hope of obtaining a reasonable settlement.

Ever since our General Meeting of 9 January we have been hoping for some sign from the Board that we can begin bargaining again. Here is what we have heard:

We invite you to fill this empty space with your concerns and send it to:

**President W. Andrew MacKay**  
Office of the President  
Dalhousie University

OR

**Chairman A.G. Archibald**  
Office of the President  
Dalhousie University

Save yourself a postage stamp: Drop the envelope in any departmental mailbox on campus.

This week the Senate of the University adopted the following motions: In so far as regulation 13 of the University Regulations and regulation 2-3 of the Undergraduate Regulations require attendance at classes and participation in examinations and/or tests, Senate agrees that these regulations not be enforced for the duration of any legal strike, and requests the vice-president academic to notify all

instructors accordingly. Also: BIRT Senate ask the president to send a letter to all Dalhousie teaching staff reiterating unequivocally that to cross or not to cross picket lines in the event of a legal strike is a question of conscience to be determined by each individual student and that the student's decision on this matter should have no academic consequences what-so-ever.
