

1971 - 1972 season promises to be the best yet for both

A brief history

Professor Bryce M. Taylor, Chairman and Director of the Department of Physical Education and Athletics, joined the university in 1964 with the major responsibility of planning the program, hiring faculty and planning facilities.

From a staff of one in 1965, the Department has expanded to a total of 35 faculty and staff responsible for the Physical Education Degree Programme and the activities and athletics as noted in this supplement to Excalibur.

In addition to teaching, coaching and administering the Department, Dr. Taylor has been conducting research projects in the area of athletic performance. An outgrowth of this has been the authoring of a book on Olympic Gymnastics for Men and Women.

Inter-college and instructional programmes

I. Intercollege Programme

Previous years experience has indicated that in some Inter-College Sports there have been more students wanting to participate than the College representative teams have been able to accommodate. Unfortunately, the number of students has not been large enough to organize intramural competition within a given college. To accommodate these students and teams the open intramurals are now organized to provide such competition in the sports in which there has been shown a widespread interest.

Consult your Inter-College Athletic Representative if you and your friends want to participate in this league or call Miss Heather Covant 635-2351 - Tait McKenzie Bldg. for more information.

At present the following sports will be organized in Open Intramurals: Soccer (Men); Flag-Football (Men); Basketball (Men); Hockey (Men); other sports can be added if enough interest is shown.

Open Intramural Organizers Meetings

Soccer (Men)	Thurs. Sept. 23
Flag-Football (Men)	Mon. Sept. 27
Basketball (Men)	Mon. Oct. 4
Hockey (Men)	Tues. Oct. 5

All open intramural student organizers meetings will take place at 6:30 p.m. — Classroom 3rd floor, Tait McKenzie Building.

Each team must have a representative present. The gym and arena will be open for practice when reservations are made. To make a reservation phone 635-2351. Be active, make use of the opportunities available and keep fit while you enjoy it.

Inter-College consists of representative teams from all the undergraduate colleges and graduate units governed by the Inter-College Athletic Council. Twenty-six Inter-College championships will be contested during the year. The purpose of the programme is to foster college spirit and provide students the opportunity to represent their college or unit in athletic competition against students with similar ability from other colleges and units within York University.

II. Instructional Programme

Perhaps the most important duty that any physical education department has to its students concerns well-being. The programmes offered at York in the instructional field do just that. Instruction is offered in many fields by competent and well trained instructors. The opportunities for the student are many. Students who are inexperienced in some field but find a need to do some enjoyable exercise each week are presented with programmes geared for beginners. Those who have experience in and wish to continue upgrading their skills are presented with the best of instruction.

But the fundamental purpose of exercise is never lost. Those nagging backaches incurred while studying, the sore necks, and poor sleeping all have a habit of disappearing with regular exercise. But the great boon of York's programme is that it is enjoyable. Many students miss this important point. Exercise can really be fun at York and anything but monotonous. Get into a programme as soon as you can, you'll find yourself looking forward to it every week.
