to like it, but was afraid
and subsequently
declined. However the
offer has been made
and the civility tendered.
I wished the Commission
to commence their
operations on the 1st,
but postponed it until
your arrival lest I
should make a
mistake with reference
to Nova Scotia - much
to the disgust of our
friend J. H. Gray, who
has wished to be at
work for some time.

Believe me

Very faithfully yours
