Ottawa, 2nd December, 1902-

Sir,

Referring to your letter of the 27th ult. I have to say that on again looking into the matter, it is found that the hay lands North of the Muscowpetung Reserve which comprise Reserve No. 80 B. are restricted to Township 21, Range 16-W.3M. and a small portion of Sec. 13 Tp. 21, Range 17. Your plan as first sent to the Department was therefore correct.

The Indians will be immediately asked to surrender the required right of way, in order to place the road under the control of your Government.

Your obedient Servant

Secretary.
