2nd Witness for Pros. Cont'd.

In such a case where it would be necessary to incurr further mileage than shown in the ticket if an Officer or N.C.O. was absent he would authorize the increase in the mileage - alter the work ticket accordingly & thereby accept responsibility. I think it would take about 15 to 20 minutes to get by car from C.I.S. Border to Barrie at a normal rate of speed. The accused has in the past been a reliable driver quite definitely.
