## The Place

There is a place where thou can't touch the eyes  
Of blinded men to instant, perfect sight,  
There is a place where thou can't say "Arise"!  
To dying captives, bound in chains of night;  
There is a place where thou can't search the store  
Of hoarded gold and free it for the Lord;  
There is a place—upon some distant shore—  
Where thou can't send the worker or the word.  
Where is that blessed place—dost thou ask "Where?"  
O soul, it is the secret place of prayer.
