Mayor Dunne, of Chicago, recently visited a barber shop where the barber, failing to recognize him, was very talkative.

"Have you ever been here before?" he asked.

"Once," said the mayor.

"Strange that I don't recall your face."

"Not at all," the mayor assured him. "It altered greatly in healing."

Pay For No Trimmings

Thrifty Scot, on a visit to the City—
"That's a big price for afternoon tea. Bid ye, wumman, an' I'll see what they'll charge without the band."

Perfectly Satisfied

A college professor, noted for his concentration of thought, returned home from a scientific meeting one night, still pondering deeply upon the subject that had been discussed. As he entered his room he heard a noise that came from under the bed.

"Is there some one there?" he asked absently.

"No, professor," answered the intruder, who knew his peculiarities.

"That's strange," muttered the professor. "I was almost sure I heard someone under the bed."

He Knew the Animal

The fifth day drew to its close, with the twelfth juryman still unconvinced. The court was impatient.

"Well, gentlemen," said the court officer, entering the jury-room, "shall I, as usual, order twelve dinners?"

"Make it," said the foreman, "eleven dinners and a bale of hay!"

Man wants but little here below,

As someone said before,

But when he gets it, don't you know,

He wants a little more.

Barber (to customer)—Positively, I am unlucky today. The omens are all against me. You are the thirteenth customer I have gashed since morning.

WINCHESTER

MODEL 1912 20 GAUGE TAKE-DOWN Hammerless Repeating Shotgun

The lightest, strongest and handsomest repeating shotgun made. It weighs only 5 1/2 pounds, yet, all metal parts being made throughout of Nickel Steel, it has wonderful strength. In grace of outline and refinement of detail and finish, it is unapproached by repeating guns of other makes. It is exceedingly simple to load, unload and take down, and shoots with the strength and accuracy for which Winchester guns are noted.

Ask your dealer to show you one, or send to Winchester Repeating Arms Co., New Haven, Conn., for handsome, illustrated circular describing it

A 20 GAUGE GUN FROM BUTT TO MUZZLE.

If You Value Your Eyesight

You will equip your reading table with a

Rayo Lamp

Authorities agree that a good kerosene oil lamp is the best for reading. The Rayo is the best oil lamp made—the result of years of scientific study. It gives a steady, white light, clear—mellow. Made of solid brass, nickel plated. Can be lighted without removing chimney or shade. Easy to clean and rewick.
