

City Dairy

OUR equipment and facilities are the best in the Dominion. We inspect the farms that supply us with milk—we test the milk to be assured of good quality—we examine it to know that it contains no harmful disease bacteria. If scientific equipment means anything to you—if cleanliness, healthfulness and purity appeal to you—if you consider knowledge better than ignorance—in other words, if you think it wise to deal with a company "that knows," we will be glad to serve you.
