Is Your Will Up-to-date?

Important changes in your family or business affairs may have occurred since you made your Will. If so, it is highly important that you revise your Will to see that it meets present day circumstances. You can strengthen your Will by naming a trust company to administer your estate. Under the care of this Corporation your estate will be carefully administered and your beneficiaries fully protected. Our experience in this work extends over forty years.

THE Toronto General Trusts Corporation
