

I am glad I went to the Western Fair and tasted Grand Mogul Tea. I will use it all the time now.

Grand Mogul Tea

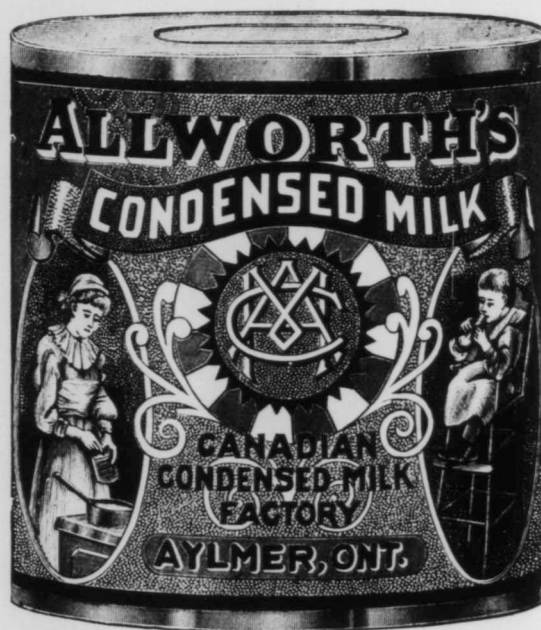

Is demanded by the best families. It is imperatively necessary for all dealers to carry Grand Mogul Tea in stock or lose some trade. It shews a good profit to the dealer and pleases every cultivated taste. Send us order by mail if traveler does not call on you at once.

THERE'S NO RISK IN TRYING IT

To dealers who have not as yet tried our goods we would say that there is no risk whatever incurred in making a trial. Our **Condensed Milk** and **Evaporated Cream** have been tested and proved in every possible way, and cannot fail to satisfy the most exacting consumer. Every can guaranteed.
