£14853 13 7

Which amount, excepting the sum of £5555 11 1½ paid towards the support of the Civil Government, is included in the General Abstract of Warrants abovementioned.

That the sums levied from 6th January, 1810, to 5th January, 1811, for Casual and Territorial Revenue, for Fines and Forfeitures, and under the following Acts: 6th Geo. II. 4th and 6th Geo. III. 14th Geo. III. 33d (vide remark in Account of preceding year) and 41st Geo. III. all of which are appropriated generally to the support of the Civil Government, amounting to

£22540 0 1½

To which adding the sum appropriated and charged against 35th G. III. it shows the amount paid by the Province, besides special appropriations, to be

£28095 11 3½

That by Account No. 8, Appendix B. in Volume 19th of Journals, the Receipts under 45th Geo. III. for Improving the the Navigation of the St. Lawrence, appear to be

£1780 16 8½

That the unprovided balance of the preceding year, £633 5 1, and the Expenditure to 5th January, 1811, £901 15 10, together

1535 0 11

being deducted, leaves a balance in hand of

£245 15 9½

That the Statement No. 10, in same Appendix, shews the Receipts under 48th Geo. III. Cap. 19th, for improving the Inland Navigation, to 5th January, 1811, to be

800 9 10

And the balance in hand from preceding year,

1683 17 2

together, £2484 7 0

And that no sum whatever was expended.

That the Statement No. 14, rectifies the error in preceding Accounts, by charging back the sums levied under the 45th Geo. III. from 25th March, 1805, to 5th January, 1810, and gives credit only for amount of Receipts under 33d and 35th Geo. III. which with the balance from the preceding year, after deducting appropriations chargeable to this Account, and the Expense of Collection, leaves an unappropriated balance in the Public Chest, of

£8571 11 4½

That
