BRITANNIA
LIFE ASSURANCE COMPANY,
No. 1, Princes Street, Bank, London.
CAPITAL—ONE MILLION STERLING.
Empowered by Special Act of Parliament, 4 Vict., Chap. 9.
REDUCED RATES OF PREMIUM—HALF CREDIT RATES OF PREMIUM.
THE great and decided success which has attended this Institution, has induced the Directors to REDUCE the RATES originally required in British North America to the Home Rates, and to authorize the issue of such Reduction to enable parties to avail themselves of the important benefits to Life Assurance at such lower Rates of Premium than those of any other Assurance Company's operating business in Canada.
The Directors have also resolved to extend to British North America the advantageous plan, by the HALF CREDIT RATES of PREMIUM which have been so highly approved, and are so generally adopted by Policy Holders in the United Kingdom. The most liberal conditions are likewise offered to the Assured in the limits to which they may proceed by sea or land, to other parts of North America without affecting their interest in their respective Policies.

Large Bonuses on Policies effected on the high Scale.
Prompt settlement of Losses.
The full value given for Policies when discontinued.
On Insurances for the Whole of Life: one-half of the Premiums, if desired, permitted to remain unpaid for the first seven years, as a Loan at interest, and then to be paid, or to remain as a permanent Loan, at the option of the Insurer.
Loans upon Policies for the Whole of Life, after payment of three Premiums, in proportion to the value of same.

CANTON HOUSE.
FAMILY TEA, COFFEE AND SUGAR WAREHOUSE,
No. 109, Notre Dame Street.
SAMUEL COCHRAN invites the attention of Customers to his stock of TEAS and COFFEES, which have been selected with the greatest care, and on such terms as allow him to offer them at unusually low prices.
THE MACHINERY on the Premises, worked by a Four Horse Power steam Engine, for Roasting and Grinding Coffee, is on the most approved plan, the Coffee being confined in perfect revolving cylinders, whereby the aroma is retained, imbibing none from Smoke, danger of partial carbonization of the Bean and loss of Aroma, so important in Coffee-roasting, which is entirely prevented by attention in Grinding on the finest flour to order. To this Coffee, which has gained SAMUEL COCHRAN general the high reputation his Coffee has obtained through a large portion of the Province, is added
CRYSTALLIZED SUGAR (much admired for Coffee); REFINED SUGAR in small loaves, and WEST INDIA SUGARS, of the best qualities always on hand.
A few of the choicest selections of TEAS may be had at the CANTON HOUSE, in Native Curly Leaf, or Crystallized in flavor and perfume, for Parlour use.
Families residing distant from Montreal will have their orders scrupulously attended to, and forwarded with immediate despatch.

(Extract of a letter from T. J. Logan, Esq., of Montreal.)
"I beg to state that on May, 1850, I was afflicted with a severe Rheumatism, which I had been suffering from for several months, and I had been under the care of two Physicians, who had given me up. I was then induced to go to the Caledonia Springs, and after using the Water for a few days, I found myself much relieved, and before I had used the Water for a month I was entirely relieved from all pain, and have since enjoyed good health. I have also derived great benefit from the use of the Water, for all diseases that have come under my notice."
Dated Montreal, 12th December, 1850.
"Dear Sir,—I have much pleasure in stating that I have derived great benefit from the use of the Caledonia Springs Water. When in a very delicate state of health, I was induced to go to the Springs, and after using the Water for a few days, I found myself much relieved, and before I had used it for a month I was entirely relieved from all pain, and strong enough to walk a considerable distance. I have also found the Water very beneficial to my family, and to several of my friends in Montreal, who have used it for Rheumatism, Dyspepsia, and some of the forms of Chronic Disease."

"Gentlemen, allow me to add, from a personal visit to the Springs, that I fully concur in the opinion of the Medical Gentlemen of the Province, that the Springs are worthy the confidence and support of the public, and that the Proprietors have spared no pains or expense to render the Establishment complete and comfortable for the reception of visitors."
