in Newfoundland.

during the twenty-four hours ending at moon to-day, or 28.16 knots per hour. neon to-day, or 28.16 knots per hour.

A Portland, Ma, firm has completed arrangements with the Newfoundland Government to erect and manage five cold storage plants in that country, each cold storage plants in that country, each a capacity of 1,000,000 pounds of Councils throughout Ontario so far as received:

Circulars have been sent out by the Ottawa police for Sam W. Betts, alias Lister or Lester, suspected of having puled off a daring \$500 robbery during a dance at the residence of a prominent Ottawa citizen.

Opposition to the proposed pier in the Humber River in connection with the Humber River in connection with the construction of the Grand Trunk Railway Company's new bridge over the Humber River, is being shown by the Teronto Civic Improvement Committee. The Manitoba Provincial Board of Health is much alarmed over the prevalence of scarlet fever in the province, the cases now numbering many hundreds. Steps to check the scourge have so far proved ineffective. A drastic warning has now been sent out to all medical officers.

Alma Smith, a young man, formerly employed by the Royal Canadian Yacht Club, Toronto, was awarded by the jury in the Civil Assize Court, \$3,900 damages for the loss of his hand and one eye, which he sustained through the explosion of a shell while he was loading a small brass cannon belonging to the Price of the court of

LAST OF TOLL ROADS. Toronto, Jan 30-The owners of the las tol road in the county of York are trying to sell out to the county. A com-munication was laid before the Council at yesterday's session from Mr. Horace Thorne, President of the Holland River Road Company, proposing a sale of the highway and suggesting that negotia-tions be at once opened. The writer said that the read yest. that the road cost \$4.000 to construct, but could not be built at the present time for less than \$8,000. Action by the ouncil was deferred.

NO SUCH LUCK. Wilson—Do you keep a second girl? Bitson—No; we can't keep the fortythird .-- Harper's Bazar.

Troy, Jan. 30.-Firemen last night vere still working on the smouldering ruins of the Boardman block, which was destroyed by fire to-day, and which resulted in a financial loss conservatively estimated at \$500,000 and the death of Portland Firm to Erect Storage Plants Licutenat Edward Butler and serious injurp to Ira Kendall, Zera Link and harles Link, members of the local de-

Free postal delivery is to be inaugurated at Niagara Falls.

The Canadian Pacific Railroad steamer Tees is ashore on Goodland Island, Barkley Sound, B. C.

Kingston Presbytery at its last meeting sustained the call to Rev. F. S. Dowling, of Brantford, to the Church of the Redeemer at Deseronto.

George Wilson, Intercolonial Railway car inspector, who was so badly injured at Moneton, when his inspector, Hiram Graves, was killed by a train, is dead.

Josiah Hampton, License Inspector for East Wellington, died at his home at Mount Forest, from heart trouble, following an attack of la grippe. He was 77 years old.

The Mauretania, due at New York from Queenstown, has achieved another speed record. The liner made 676 knots during the twenty-four hours ending at noon to day, or 28.16 knots per hour.

TALK OF REVOLUTION.

Berlin, Jan. 30-The brother of ex-President Castro of Venezuela, accom-panied by the ex-Minister of Finance, is now on a visit to Germany, after hav-ing spent some time in England, Holland and Belgium. It is understood that he has been endeavoring to obtain support for a revolution in favor of ex-President Castro, but that his efforts to secure vessels for insurrectionary purposes
