THURSDAY, JULY 17, 1919

Several good newsy letters reached us too late for this week's issue—Kindly mail all correspondence so it will reach us not later than Tuesday afternoon.

Elويد

Pardon your reporter for holidaying so early in the season; there are so many newsy things we have missed. A series of picnics, and by way of finish an Ayrshire picnic in Mr. Henderson's grove. Speakers in abundance, and good speakers they were too. Professor after professor spoke with authority, then a little man in statute but big in soul—the secretary of the Ayrshire Association—gave us a splendid address. The day was fine and a judging contest, in which young men competed for a prize, was conducted under the management of the secretary of the association. His judgment of course was final.

Mr. Philip Livingstone narrowly escaped a burn-out when lightning struck a tree near his barn recently.

Mr. A. M. Lee and family are welcome guests in our midst.

Pte. Wilfred Foley is home from France.

Miss Myrtle Dack is visiting Miss Eva Cowle.

The glorious twelfth was celebrated by our local lodge at Perth. Pretty dry day?

There is some little stir over the amount of petty thieving done around here. Have heard some of the farmers remark that a stor is to

Feed Cane Mola Every Day; Make Healthy Pigs—Keep Sickness Away.

Write for Particulars.

Local Distributors

LEEDS FARMERS CO-OPERATIVE CO. LTD.

be dated soon. It is strange with so much daylight that folks wait until you sleep to come and buy their horse and hog feed.

Miss Minnie Hollingsworth is visiting friends in Ottawa.

Haying is in full tide and there is promise of an extra crop.

Harlem

A bumper hay crop, but grain was never so far behind at the twelfth before. Even in this corn country there are only a very few good crops.

Many of our people have attended a funeral each of the last three consecutive Sundays. Mr. Alex. Campbell's on June 28th, Mr. Thos. Chapman's on July 6th, and Mr. Wm. M. Bass, of Newboro, on July 13th.

The Harlem friends of Mr. William M. Bass were very much shocked on Friday night to hear of his death. A sufferer from paralysis for some time, he has been able to move about his home and farm, but the final and fatal stroke came while on his way home from the Ayrshire picnic at Elويد. He lingered a couple of days and then passed away at his home in the presence of his surviving family and friends. He leaves besides his widow, one son, Charlie, who like his late father is an intensive agriculturist and breeder of fine stock.

The Methodists of this place look forward to July 23rd as the evening on which they intend to eclipse all former efforts in the ice cream line. We mean they will give a social that will be an inch longer, and inch wider and a foot higher than anything they ever undertook in the past.

How is it so many of this year's June weddings are coming in July? The lateness of the season, somebody says.

The Perth crowd was noticeably larger from the presence of the Harlem contingent.

Hard Island

Mrs. Whaley and two daughters, Miss Evelyn and Miss Edna, spent Sunday here.

Miss Anna Gilroy has returned home after spending last week with her cousin, Hazel Yates.

Mr. Cecil Hitchcock is visiting on the island this week.

Mr. and Mrs. Howard Reed have returned to their home in Syracuse since enjoying their holidays at Mr. M. L. Dunham's.

Miss Mabel Jacobs visited at Mr. B. Alguire's on Sunday last.

Miss Violet Robinson is home for the summer vacation.

Some from here attended the social at Toledo last Tuesday evening, while others went to Delta.

Rockspring News

Mrs. James Garvin, with her son Eddie, Almonte, has been spending a few days with her brothers, Messrs Ed. and Wm. Richards.

Miss Marguerite King, Addison, was a week-end visitor at Mr. James Reynolds.

Mr. Willie O'Neill, who has just returned from overseas, is being welcomed by old acquaintances.

Miss Mary Ann Wilson, of Jasper, Misses Pearl Cannon, Elsie McFadden and Spalte, were recent guests of Mr. and Mrs. R. S. Hinton.

A large number, including the lodge members, attended the Orange walk in Perth.

Mr. Jack O'Neill and daughter Helen, of Brockville, are guests of Mr. and Mrs. Hugh O'Neill.

TENDERS FOR COAL.

SEALED TENDERS addressed to the undersigned, and endorsed "Tender for Coal for the Dominion Buildings, Ontario and Quebec," will be received at this office until 12 o'clock noon, Friday, July 25, 1919, for the supply of coal for the Dominion Buildings throughout the provinces of Ontario and Quebec.

Combined specification and form of tender can be obtained at this office and from the Caretakers of the different Dominion Buildings.

Tenders will not be considered unless made on the forms supplied by the Department and in accordance with the conditions set forth therein.

Each tender must be accompanied by an accepted cheque on a chartered bank payable to the order of the Minister of Public Works, equal to 10 p.c. of the amount of the tender. War Loan Bonds of the Dominion will also be accepted as security, or war bonds and cheques if required to make up an odd amount.

By order,

R. C. DESROCHERS, Secretary.

Department of Public Works, Ottawa, July 3, 1919.

ROD AND GUN FOR JULY.

Anyone reading "Fish, Fishing and Fishermen" by George R. Belton in ROD AND GUN IN CANADA for July cannot help thinking of the good old days when a bent pin, a piece of string and a willow switch made the best fishing tackle for shiners, chubs and rock bass. "The Albino Bass of the Ottawa" is the title of a real fishing story from the Dominion Capital which is one of the several good stories in the national outdoor magazine for July. The six illustrations showing the capture of a Newfoundland salmon are the best this year. They accompany a splendid article on the Humber, King of Atlantic Salmon Streams. The interesting departments, Guns and Ammunition, Fishing Notes, Conservation, Kennel and Trap are all up to their usual standard and along with the second instalment of that interesting serial, "The Bear of Silves Dale" go to make up one of the best summer issues of the Canadian national sporting monthly. ROD AND GUN IN CANADA can be obtained from any bookstore or direct from the publishers, W. J. Taylor, Limited, Woodstock, Ont.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Medicine is the positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Medicine is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case it fails to cure. Send for list of testimonials.
