

## Popular Traffic Appointments

D. R. Kennedy of Buffalo, as General Agent at Montreal; J. E. Parker, General Agent Steamship Traffic, Montreal to Toronto in the same capacity; and H. R. Mathewson to Buffalo, as General Agent, from the office of Assistant General Agent at Chicago.

Important changes in transportation circles just announced at the headquarters of the Canadian Pacific Railway affect six traffic men very well known throughout Canada and the United States, and offices at Montreal, Toronto, Buffalo and in the Orient.

E. F. L. Sturdee, general agent of the Canadian Pacific at Seattle has already left to take the post of Acting General Passenger Agent in the Orient. In recent changes, Mr. Sturdee stands senior in the service of the company which he joined as junior clerk in 1893 at St. John, N.B. During his thirty-one years of service he has made many friends all over the North American Continent.

Edward Stone, although he only joined the Chicago office of the Canadian Pacific in 1916 has had long and varied service with rail and steamship business and his appointment as general agent at Shanghai meets with general appreciation. For three years Mr. Stone represented the Canadian Pacific as General Agent at Yokohama.

H. B. Beaumont, who held important posts in the European service of the company, and has for the last few years been General Agent of Ocean traffic in Toronto, is appointed to the Montreal office as Assistant General Passenger Agent, Steamships. Mr. Beaumont was for many years connected with the Allan Line which company was absorbed by the Canadian Pacific.

Other important appointments are those of D. R. Kennedy of Buffalo as General Agent at Montreal; J. E. Parker, General Agent, Steamship traffic, Montreal to Toronto in the same capacity; and H. R. Mathewson to Buffalo as General Agent, from the office of Assistant General Agent at Chicago.
