THE LAWYER'S STORY.

The janitor occupied a 100m on the Col. Coventry's invariable custom to take lower floor, but his body was discovered a walk after his dinner, and that he alin the room adjoining the office in which | ways came back by way of the bank; the cashier was found and in which was also many to prove that the Colonel

The doctors all agreed that the janitor lived for at least ten minutes after being shot, that he must have struggled hard, for his head showed marks of blows from ne butt of a revolver.

That this could all take place in adining room, and the cashier not be put n his guard, seemed absurd, and there were many who claimed that he had an accomplice, hed opened the safe, and then been locked in the closet without considering the insufficiency of air.

The cashier, contrary to all expectaions, recevered and told his story.

He heard no noise of any kind, but was seated at his desk busily writing when he heard some exclaim : 'Look around, or make a noise, and you are a dead Looking naturally shead, he beheld in

the mirror over his desk a man in his ne great Health Builderand Nerve Food. It shirt sleeves, who held a revolver close tures all nervous diseases and restores exausted vital forces to their wonted vigor by shirt sleeves, who held a revolver close feet in height, stout, and had on a black mask, which covered his face to the mouth, the chin was bare and his revolver was held in his right hand, the left arm being cut off at the elbow. 'I have come for the money in that

sale. I have killed the janitor and will kill you unless you open it. In order to show you that I mean business, I have brought the body of the janitor up stairs, and he is in the next room. Walk to the door and look at him.'

> The cashier walked to the door of the main office and beheld the dead body of the janitor upon the floor. 'Now open the safe,' said the robber. The cashier, frightened at the fate before him if he refused, decided to open

Agent for Newcastle. the safe, hoping for an opportunity to verpower the ruffian, but when the safe was open the robber quietly ordered him to enter the closet. The closet was so small that a person

could not turn around in it, otherwise he would have pushed open the door and grappled with the robber when he heard him drop the revolver, which he was bliged to do to lock the door.

He heard the robber at the safe, but n a few minutes became unconscious rom lack of air and knew nothing more
