

# TIGERS BEAT MONTREAL

## JUNGLE TERRORS MADE A LUNCH OF THE WINGED WHEEL TEAM

Before a Crowd of Nearly 4,000 People at the Cricket Grounds on Monday Afternoon—Montreal Players Say Tigers Will Defeat Ottawa in a Play Off.

**ART MOORE STARRED.**  
The playing of Art Moore on the half line was sensational. He put up one of the best games of his career, and did not make a mistake during the game. His famous zig-zag runs were much in evidence, and the lightning half brought the people to their feet on more than one occasion by his long end runs. Moore has recovered all his old time form, and is playing the game of his life this year. In the two previous games his playing was a feature and yesterday he was the star of the back division.

at midfield. Stinson marked at his own ten on Simpson's punt. Stinson kicked high and Tigers got possession at the Montreal 40.

**FIRST QUARTER.**  
Tigers won the toss and chose to defend the west goal, kicking with the wind. The first few minutes of play saw an exchange of punts with the ball pretty much at midfield.

Stinson showed his worth at this stage by receiving Smith's punt at his own ten and running it fifteen yards through the crowd. He followed this up by a run around the end for five yards.

**SECOND QUARTER.**  
Montreal recovered the ball on an offside and Kid Smith returned to Craig, who marked.

Stinson returned Isbester's punt to Moore, who made a nice run of 15 yards before being downed. Gray hit the line for another 15, and Kid Smith was shored into touch on an end run at the Montreal 15.

**THIRD QUARTER.**  
Tigers advanced the ball ten yards on an offside, and Simpson kicked to Stinson, who was grassed on his own line by Turner.

Montreal got the ball on an offside, and Isbester broke through on the first down and nailed Stinson 10 yards out from the Montreal line. Stinson kicked into touch at his own 35.

**FOURTH QUARTER.**  
Tigers lost the ball on the third down and Montreal made a nice run for 15 yards. Kid Smith tried to return Duckett's punt, but was blocked and Montreal got possession at the Tiger 35.

Stinson returned Isbester's punt to Moore, who made a nice run of 15 yards before being downed. Gray hit the line for another 15, and Kid Smith was shored into touch on an end run at the Montreal 15.

**ART MOORE.**  
Famous half back, who played a sensational game yesterday.

"I think we can beat Montreal on their own grounds next Saturday and do not expect that the Tigers will have to play their hardest to defeat Ottawa here on the 6th of November."—Doc Thompson.

"There was only one occasion on which I found it necessary to wax eloquent."—Bus Baillie.

"Well, our boys played a good game, and they will make the Tigers go home on the M. A. A. grounds."—Chaucer Elliott.

"The team is now getting into its real form, and I think the championship won't miss Hamilton by very much this year."—Captain Ben Simpson.

"It was the cleanest game that we have taken part in this year."—Captain Stinson.

"Hamilton and Montreal play the friendliest game of any two teams I ever saw on a gridiron."—Tommy Church.

"It looks like Tigers for a play off with Ottawa and the final game, for the championship of Canada, with 'Varsity.'"—President Seymour.

"That score will be bad news down Ottawa way."—Secretary Hardy Awey.

The Tigers proved that they were back into championship form when they defeated the fast Montreal team by a score of 12 to 1 at the Cricket Grounds yesterday afternoon before one of the largest crowds that has ever attended a football game in Hamilton. As early as 2 o'clock the crowd began to gather in the bleachers and by the time the game started not only was every reserved seat occupied, but the bleachers were filled, while a crowd six deep lined the rails at the east and west ends of the field. Every place of vantage, such as house tops, fences, trees and telegraph poles each carried their load of spectators. It was a grand game to watch and the play was hardly as one-sided as the score would indicate. While the Tigers have a superior team, the Montrealers played a clean fast game and with another year's experience, aided by the coaching of Chaucer Elliott, this bunch of M.A.A.A. youngsters will make a high bid for championship honors. They are light, but their quickness in measure balances this handicap. The Ottawa papers had much to say concerning the dirty work practiced by the Montreal players, but it was the consensus of opinion here that a cleaner bunch of players never visited this city. No blame was placed on the Montrealers on the Rough Riders for questionable plays, and it little behoves the scribes at the Capital to point the finger of censure at another team.

**TIGERS ALWAYS IN FRONT.**  
The Tigers always had a little the better of the play in yesterday's game, although the Montrealers pressed at times. After the first quarter the result was never in doubt. Tommy Stinson, the former Tiger player, was the best man on the Winged Wheel team and his runs brought the spectators to their feet on a couple of occasions. The back divisions of both teams played good ball, and few fumbles were made by either side. It was on the wing line that the yellow and black had the best of it, and the big husky Tiger wings hit the line for bigger gains yesterday than in any previous game this season. Jack Gray was in the game again, and with "Liz" Marriott in his padded togs again that famous line that has won so many games was complete with the exception of Don Lyon. "Kid" Smith was playing full, and George Smith was at left half to fill the vacancy left by "Dutch" Burton, who is still on the sick list with an injured knee.

**REGRETTABLE ACCIDENT.**  
The one deplorable feature of the game was the injury to Louie Armstrong, the Montrealers' left outside wing. Near the end of the game he tackled Moore, but missed him and fell so heavily that he was rendered unconscious. The fall brought on convulsions, and it was found necessary to hold him to the ground until medical aid was secured. Happily Dr. McGregor was on the touch line, and after first aid had been rendered the unfortunate player was carried from the field on a bench. Later he was conveyed in the ambulance to the City Hospital, where he still re-

mains. An examination revealed the fact that he is suffering from concussion of the brain, and while his condition is not considered serious he will likely be laid up for a few days. In the early part of the evening he vomited a lot, but rested quietly after midnight.

**ART MOORE STARRED.**  
The playing of Art Moore on the half line was sensational. He put up one of the best games of his career, and did not make a mistake during the game. His famous zig-zag runs were much in evidence, and the lightning half brought the people to their feet on more than one occasion by his long end runs. Moore has recovered all his old time form, and is playing the game of his life this year. In the two previous games his playing was a feature and yesterday he was the star of the back division.

"Liz" Marriott played his first game of the season yesterday, and lived up to his old reputation. He followed up well and was generally in the vicinity of the ball. "Liz" has been practising faithfully for the past two weeks to get into condition to play, and by the time the 6th of November arrives he will be in shape to hold the redoubtable Stronach.

George Smith played a nice game at left half and filled "Dutch" Burton's shoes very acceptably. Besides being a sure catch and a good runner he punts well and makes a valuable man in a pinch. He made a couple of good runs yesterday and did not miss any chances.

Ben Simpson played his usual steady and effective game, and his long punts to the dead line netted the Tigers quite a few points. The schoolmaster kicked into touch for slight losses a couple of times, his left leg being somewhat off.

"Kid" Smith was still bothered with his leg, and did not play his usual good game. He made a couple of fumbles, but happily none of them resulted costily. George Awey gave the signals clearly and always got the ball away from the scrimmage quickly. The line quarterback is making a name for himself this year, and although he did not pull off anything sensational yesterday in a way of long runs, he was always in the game.

After a two weeks rest on the sick list Jack Gray came back stronger than ever, and hit the line like a battering ram. Gray is one of the strongest men playing on any team in the Inter-Provincial Union this year, and it generally takes about two men to bring him down.

Bob Isbester and Gerald Wigle were the stars in the bucking yesterday, the big fellows hitting the line for good gains on several occasions. Wag broke through once for a run of forty yards that eclipsed anything spelled off during the afternoon. He bowled over several tacklers, and was only stopped by being pushed into touch. Wally Barron was also on the job and played his usual good game.

The scrimmage worked well together, and had a little on the Montreal trio when it came to a trial of strength. "Huckle" Brammer showed up well, playing as steady a game as any of the regulars.

Tony Loftus played at right end until his ankle was injured, when Turner went on. The light-haired boy has improved a lot since the beginning of the season.

**MONTREAL'S GOOD ONES.**  
The star of the Winged Wheel aggregation, and one of the best players on the field was Tommy Stinson. He played a spectacular game, and proved a hard nut to bring down once he got going. Stinson played with the senior Tigers four years ago in the old O. R. F. U., and was then considered one of the best full backs in the business. He has improved since then, and now may be considered without a peer in that position. Davey Tope was Stinson's only rival, but since Cotton Top has dropped out of the game can rightly lay claim to being the premier full back of Canada.

Duckett, the Montreal centre half, put up a brilliant game, and it was one of his long punts that scored Montreal's only point. In the game last Saturday Kill, the Ottawa quarter, deliberately punched him on the nose, breaking that useful member. Duckett wore a nose guard during the early stages of the game, but dispensed with it before half time.

Ernie Hamilton, at right half, was also good. He caught well, and was speedy on his pins.

A bright game was put up by Bus Baillie, the Montreal quarter, the auburn haired boy taking advantage of all his opportunities.

The teams lined up as follows:

George Smith	..... Craig
Ben Simpson	..... Duckett

**JACK GRAY.**  
Star Tiger wing man, who was in the game yesterday for the first time in two weeks. He had been on the sick list with an injured back.

Baillie got the ball at midfield and made a nice run to the Tiger 20.

Stinson returned Isbester's punt to Moore, who made a nice run of 15 yards before being downed. Gray hit the line for another 15, and Kid Smith was shored into touch on an end run at the Montreal 15.

Montreal got the ball on an offside, and Isbester broke through on the first down and nailed Stinson 10 yards out from the Montreal line. Stinson kicked into touch at his own 35.

Tigers lost the ball on the third down and Montreal made a nice run for 15 yards. Kid Smith tried to return Duckett's punt, but was blocked and Montreal got possession at the Tiger 35.

**SIR THOMAS LIPTON**  
WANTS A FAIR CHANCE.

New York, Oct. 26.—"I have come over this time red-hot for another challenge to the New York Yacht Club, and will do my best to arrange matters with the club, so that I can have another chance to lift the America's Cup."

So spoke Sir Thomas Lipton yesterday while the big White Star steamship Cedric, which brought him from England, was warping into dock. The Irish baronet was accompanied by Colonel Duncan F. D. Neill, and will be in New York for several days.

"At the present moment I do not care to talk until I have seen the Yacht Club committee who will have this matter in charge," was all that Sir Thomas would say of his plans.

It is believed that Sir Thomas has brought with him a challenge for the cup, which he will present to the New York Yacht Club if his mission is successful in securing a modification of the racing conditions which cover contests for the cup. Sir Thomas desires the club to change the present rules so that he can bring over a Shamrock IV, built under rules which will permit the construction of a substantial racing craft.

Sir Thomas later consented to talk about what he would like to see done in order to give challengers what he considered an equal chance with American yachts in cup races.

## AN INDIAN WINS THE HERALD RACE.

Jimmie George, Beaverton Athletic Club, Covered Distance in 1.51.25, But 2 Minutes and 43 Seconds Behind Sammy Mellor's Record.

For the second time since the inception of the Herald road race an Indian has led the field to the finishing post. This year the winner turned up in Jimmie George, a protégé of the Beaverton Athletic Club. He ran a fine race, being only a little over two minutes behind the record established by Sammy Mellor, the Yankee runner. Jack Caffery set the pace for him around the circuit and the veteran's experience was a factor in winning the race for the Indian. George was in fine condition when the long journey was finished, and looked to have enough in him to go another ten miles. He was not far behind Mellor, however, an interval of but seven seconds separating the two. John Near, of the Toronto Centrals, who was picked to win the event, finished fourth, and in very poor condition. He was all in, and could hardly walk from the finishing line to the Herald office.

There were several scratches, and only 21 runners took the line when the starting gun was fired by J. M. Harris. The starters were as follows: John Love, Ayr, unattached. William Bomberly, Caledonia, unattached. J. McCormick, Toronto-I. C. A. C. Hanlon Howard, Hiawatha, unattached.

James George, Beaverton A. C. Hanlon Howard, Hiawatha, unattached. Milton Fern, Toronto B. U. A. C. H. W. Batters, Caledonia, unattached. James A. Begley, Toronto I. C. A. C. Dennis Bennett, Hamilton A. M. C. John G. Near, Toronto Central Y. M. C. A. Thomas Ellis, Hamilton, unattached. Charles Cook, Hamilton Ninety-first A. C. Isaac Snow, Oshweken, Wigwam Club.

George Buxton, Toronto I. C. A. C. Stanley Ross, St. George, unattached. Levi Jamieson, Oshweken, unattached. John Chittim, Chatham, unattached. Stuart Allen, St. Catharines. Harry L. Williams, Berwick, Pa., B. M. A. C. George Black, Toronto, I. C. A. C. "Indian."

"I have been defeated three times in American waters," said Sir Thomas, "and I will say very frankly that on each occasion the best boat has won. This much, however, let me say: Every time I have challenged the racing rules have been so changed that each new race has required that I build a bigger freak than the last one. Five times the rules have been changed."

"The trip of the Cedric which ended yesterday has been marked by terrific weather, which is a fair sample of what may be encountered at any time by a yacht crossing the Atlantic. Bringing over the break yacht which it is necessary to build under the present rules means grave danger to the yacht and to the men aboard her. I have lost men already in coming across the Atlantic."

"The present rules were made for the America's Cup race only. Just as long as those rules continue in force the thickest kind of a wall can be built around the America's Cup and prevent this cup from being taken away from this country. 'What I desire is to race under the universal rule. If I can't win under that rule I can at least provide good sport, and that is the primary reason for all racing—or at least it should be.' Sir Thomas said he wanted a race for the cup with a 90-footer, and would be ready to race in 1911.

At the three-mile post Charles Cook, of the 91st Athletic Club, was in the lead, with George Buxton, of Toronto, second and John Near third. The distance was covered in a little over seventeen minutes. Cook dropped behind, and at the five-mile post J. McCormick was in the lead, with Stuart Allen, of St. Catharines, at his heels. Jimmie George was running in third position at this stage. From the five-mile post to the circuit and the veteran's experience was a factor in winning the race for the Indian. George was in fine condition when the long journey was finished, and looked to have enough in him to go another ten miles. He was not far behind Mellor, however, an interval of but seven seconds separating the two. **W**OODSTOCK, OCT. 26.—The athletic meet which was held in this city yesterday will go down on record as one of the best and most successful affairs of its kind ever held in Oxford county. Skene all the way, and on the last lap let out to pass him. For the last 220 yards the two runners ran within a few inches of each other, Whitehead doing his best to catch him. Skene kept the lead, however, and reached the tape about two inches ahead of his opponent. Whitehead, who is only a midget, was cheered loud and long by the large crowd of spectators. Following is a list of the events and the prize winners:
