### A WORD OF ENCOURAGEMENT.

A WORD OF ENCOURAGEMENT. I have heard of one who, returning from an affecting monon, highly commend it to some; and being demanded what he remembered of it, nawered, "Truly, I remember to thing at all ; but only, while 5 heard it, it made me resolve to better ; and so, by God's grace, I will. To the same purpose, I have somewhere read a story of one who com-plained to an aged holy man that he was much discouraged monon in memory which he had read. The old hermit (for a remember he was described,) bade him take an earther phode him empty it again and wipe it clear, that nothing where is outling of the water remaining in it, yet the pitcher and and it is which when the other had done and where is outling of the water tensining in it, yet the pitcher acting of the word thou readest, yet hy heat is the learer for its very passes through.

bade him empty it again and wipe it cleans, that nothing should remain in it; which when the other had done it, he should remain in it; which when the other had done and wondered to what this tended, "Now," asid be, "though there is anothing of the water remaining in it, yet the picket is cleaner than it was before; so, though thy memory retain nothing of the word thou readest, yet thy heart is the cleaner for its very passage through. THE FACULTY OF FEIGNING DEATH. There are cause on record of persons who could sponta ginous had the same faculty. But the most celebrated is cleaner is that of Colonel Townshend, mentioned in the sar-gical works of Gooch j by whom, and by Dr. Cheyne and Dr. Beyrard, and by Mr. Shine, an apotherary, the perfor-mance of Colonel Townshend was seen and attested. They had long attended him, for he was an habitual invalid ; and had often invited hem to witness the phenomenon of his dring and coming to life again, but they had bitherto refused, from foar of the consecuences to biling All. Accordingly, in dring and coming to life again, but they had bitherto refused, from foar of the consecuences to biling All. Accordingly, in dring and coming to life Again, but they had bitherto refused, from foar of the consecuences to biling All. Accordingly, in dring and coming to life Again, but they had bitherto refused, from foar of the consecuences to biling All. Accordingly, in dring and coming to life Again, but they had bitherto refused, from foar of the consecuences to biling All. Accordingly, in a fall the same difference the secuences and biling all the same for the consecuences to biling all. Accordingly, in a succes of the consecuences to biling All. Accordingly, in a succes of the consecuences to biling All. Accordingly, in a succes of the consecuences to biling All. Accordingly, in a succes of the consecuences to biling All. Accordingly, in a succes of the consecuences to biling All. Accordingly, in a succes of the consecuences to biling All. Accordingly in a succes of the consecuenc The had long attended him, for he was an habitual invalid; and he had long attended him, for he was an habitual invalid; and he had long himself hem to when on himself. Accordingly, in her presence, Colonel Townshend laid himself down on himself. Accordingly, in her presence, Colonel Townshend laid himself down on himself, and on the heart; and Mr. Shrine had hoking-glass to hold to his mouth. After a few seconds, pulse, breathing, and action of the heart were no longer to hence it is a half an hoar, the decires begas to fear that trane had lasted half an hoar, the decires begas to fear that the pulse and sensible motion of the heart gradually returned and breashing, and consciousnes. The sequel of the hat the trane, made his will and died, for goed and all, six hours afterwards.—Phantesmate, by R. R. Modden.
