**CONSUMPTION
 CAN BE CURED**

IS A FACT ATTESTED BY THE HIGHEST MEDICAL
 AUTHORITIES IN THE WORLD.

A careful observance of the laws of health, and the systematic and persistent use of Scott's
 Emulsion of Cod Liver Oil with Hypophosphites of Lime and Soda
 will accomplish this result. This preparation has all the virtues of these two most valuable
 specifics, in a form perfectly palatable, and acceptable to the most delicate stomach, and we
 make the unqualified statement that Scott's Emulsion is the best remedy for all the diseases
 and endorsed and prescribed by more physicians for Consumption—and the diseases leading
 to it, such as Chronic Coughs, Bronchitis, Scrophula, Anemia, General Debility and the
 Wasting Disorders of Children, than any other medicine known to medical science. The rapidity
 with which patients improve on this food medicine diet, is truly marvellous.

See What Physicians and the People Say About It.

Messrs. SCOTT & BOWNE: 65 West Thirty-ninth Street, New York, September 2, 1876.
 GENTS,—I have frequently prescribed Scott's Emulsion of Cod Liver Oil with Hypophosphites during
 the past year, and regard it as a valuable preparation in scrophulous and consumptive cases, palatable and
 efficacious.
 Messrs. SCOTT & BOWNE:—Gentlemen,—Within the last year I have used in my own family, and in my
 private practice prescribed very extensively Scott's Emulsion of Cod Liver Oil with Hypophosphites and
 found it a most valuable preparation, especially in diseases of the Lungs. It is agreeable to the most delicate
 stomach, which renders it a very reliable agent as a nutritive remedy in consumptive and scrophulous cases.
 Oct. 12, 1879. Yours respectfully, A. H. SEXTON, M. D., Baltimore.

Messrs. SCOTT & BOWNE:—Gentlemen,—Within the last two months I have fairly tried Scott's Emulsion of
 Cod Liver Oil with Hypophosphites, and I candidly declare that it is the finest preparation of the kind
 that has ever been brought to my notice; in affections of the lungs and other wasting diseases, we can consider
 it our most reliable agent, in a perfectly agreeable and elegant form.
 December 20th, 1878. Yours truly, J. SIMONAUD, M. D., New Orleans, La.

Messrs. SCOTT & BOWNE:—Gentlemen,—In September, 1877, my health began to fail and my physician
 pronounced it spinal trouble; under his care I got some relief in pain, but my general health did not improve,
 and early in the winter I began to raise blood and rapidly grew worse. In May last I was taken with a violent
 bleeding which brought me to my bed and my life was despaired of for many weeks; violent symptoms appeared,
 night and morning coughs, night sweats and short breaths, and a return of the spinal trouble. My physician
 stopped the bleeding and then ordered Scott's Emulsion of Cod Liver Oil with Hypophosphites, but they did me
 no good. I lost all hope of life and was an object of pity to all my friends. Last September I purchased a
 bottle of your Emulsion and before it was all taken I was better. I afterwards bought a dozen bottles, with
 the following result: Cough subsiding, night sweats stopped, appetite returned, pain in spine disappeared, strength
 returning, and my weight increased from 115 to 140 pounds in sixteen weeks. I have taken no other medicine
 since commencing with your Emulsion and shall continue its use until I can perfectly well. I frequently meet
 some friend on the street who asks, "What cured you?" and I answer, "Scott's Emulsion of Cod Liver Oil."
 "I have a friend who has spoken about it to me several months, and he is getting better. I gave him a bottle
 and he bought two more, then got a dozen, and says it is food and medicine for him. He was given up to die a
 year ago, but he is improving now wonderfully. My recovery is exciting the surprise of many people, and
 shall do all I can to make known your valuable medicine.
 January 20th, 1879. Very truly yours H. F. SLOCUM, Lowell, Mass.

Messrs. SCOTT & BOWNE:—Gentlemen,—I got a bottle of your Emulsion and at that time I was so prostrated that no one
 who saw me thought I could live longer than a few weeks at most. I could retain nothing on my stomach and
 was literally starving. I commenced the use of the Emulsion in small doses; it was the first thing that would
 stay on my stomach; I continued its use, gradually increasing the dose; and from that hour I commenced
 mending, and now am able to ride and walk, and am gaining flesh and strength rapidly. I have advised other
 parties to try it, and some two or three have already tried it. I am sure I shall entirely recover.
 I am gratefully yours, R. W. HAMILTON, M. D.
