THE new Post Office in this city which was opened a few days ago, is by far the finest in the Maritime Provinces, and reflects the highest credit on the contractors and all who had anything to do with the workmanship Besides the Post Office there are als in the building the Customs and Domin ion Saving's Bank departments, all fitted up in grand style. When the square in front will be beautified next summer, the building and surroundings will be most attractive.

THE first bulletin of the Centra Experimental Farm for the year 188 is to hand.
