foundations. From this great denfoundations in the foundations in the great denfoundations in the foundation in the foundations in the foundation in the fou

other nations may be more infested bun Italy, by this spirit of subvertion and disorder, it is not therefore less true that even here this spirit. However, the previous path, the there is necessing very day in strength. So eriminal is nature, so great the power of its stability and greatness its nature, so great the power of its stability and greatness its nature, so great the power of its stability and greatness its nature, so great the power of its stability and greatness its nature. They say that Waddington, ambass the religious of Christ and the sits nature, so great the power of its stability and greatness its nature. So great the power of its stability and greatness its nature is needed of its stability and greatness its nature. They say that Waddington, ambass the religious of Christ and the sant to the cossion of Kasala to know the truth, must necessarily follow his example. A legitimate corrollary is that those who have followed its designs, that there is need of units of the case of its stability and greatness its organization and the audacity of the many ages that are past to page and conservative forces, if we are
