

The Founder of Pawnshops

The legacy of \$20,000 recently bequeathed by the Marquis de Guerry for the redemption of objects pledged by the poor at the Paris pawnbroking establishments is an act of charity of a kind by no means uncommon in France, and one which is worthy of the religious origin of the Mon-je Pietre.

One of the symbols of St. Bernardine of Siena is a green hill composed of three mounds, with either a cross, or a standard bearing an image of the dead Christ on the mound for which the remaining two form, as it were, a pedestal.

In every large city in which he founded a sermon, St. Bernardine founded a Mount of Piety or society for lending small sums to the very poor on trifling pledges.

In Shaded Room.

The shaded room was still; the doctor and the nurse sat watching by the bedside; the freight crept into the shadows; there was no other sound.

"You think you are ready to go?" asked the Angel who attends to things.

"Yes," said the man, "I have drained the cup from brim to bitter lees; I have read the Book from cover to cover. I am ready."

"Humph!" said the Angel who attended to things. "Well, come along to things. Well, come along to things."

Now the angel of the Gate looked up and saw the angel who attends to things, and beside him the man, holding fast to his hand, and feeling afraid and foolish.

"From the primary department?" asked the Angel of the Gate.

"Yes," said the other angel, he has not learned to keep them clean.

Itching Skin

Distress by day and night—That's the complaint of those who are so unfortunate as to be afflicted with Eczema or Salt Rheum—and outward applications do not cure. They can't.

The source of the trouble is in the blood—make that pure and the itching, burning, itching skin disease will disappear.

"I was taken with an itching on my arms which proved very disagreeable. I concluded it was salt rheum and bought a bottle of Hood's Sarsaparilla. In two days it was not long before I was cured. Have never had any skin disease since."

Hood's Sarsaparilla

It cures the blood of all impurities and cures all eruptions.

"I have no brother!" cried the man.

The two angels looked at each other.

"You see?" said the Angel who attends to things. "I know how it would be."

Then he turned to the man "Run along back," he said, and try to do better next time, I left the door open for you.

And in the shaded room, while the freight whispered to the shadows in the corners, the doctor rose from the bedside and spoke softly to the nurse.

Crop Report.

The total area under wheat in Canada is provisionally estimated at 9,816,300 acres, or 57,900 acres more than in 1912.

The total area under wheat in Canada is provisionally estimated at 9,816,300 acres, or 57,900 acres more than in 1912.

A Change Of Blood

As the gate clicked, Mrs. King ran anxiously to the door. Yes, her husband was coming up the walk. Good news! His radiant face told her he was logging step now. He reached her side quickly, smiling at her anxiety.

"Mary," he cried, "I've good news!" He took her arm, and drew her aside.

"Dr. Jones says I'll be well in a short time, if I follow his advice; and such a simple thing," he continued boyishly; "I could easily have thought of it, and saved the fee. Just think, only a small glass of brandy twice a day. I'm on the verge of nervous prostration, he says I need a change of blood."

"A glass—of—brandy?" she exclaimed, doubtfully.

"Yes," answered her husband "just as the gate clicked, Mrs. King ran anxiously to the door. Yes, her husband was coming up the walk. Good news! His radiant face told her he was logging step now. He reached her side quickly, smiling at her anxiety."

HER BLOOD WAS TURNED TO WATER.

She Doctored For Three Years But Was Finally Cured By Milburn's Heart and Nerve Pills.

Mrs. JOSEPH SMITH, Box 25, Creelman, Sask., writes: "I write you these few lines hoping they will be a help to someone suffering from heart and nerve trouble. I doctored for three years but continued to get worse. I tried three different doctors, and got no relief, and tried all the drugs I could find but all failed. I became very weak, and my blood was turned to water. I tried Milburn's Heart and Nerve Pills, and after taking five boxes, I got great relief. I was so thin, I only weighed 90 lbs., but after taking five boxes I was completely cured, and I am well and strong to-day, and weigh 150 lbs., and I can now work all day, and do not feel tired or lagged out. If anyone would like to hear more of my case, I would be pleased to answer any questions."

MINARD'S LINIMENT CO., LIMITED.

DEAR SIRS—This fall I got thrown on a fence and hurt my chest very bad so I could not work and it hurt me to breathe. I tried all kinds of Liniments and they did me no good. One bottle of MINARD'S LINIMENT, warmed on fannels and applied on my breast, cured me completely.

Smith and Jones were speaking about the fine points of their respective sons.

"Tost boy of mine," remarked Smith, extravagantly, "is the genuine article. He is all wool you can bet."

"Shouldn't wonder," commented Jones. "I notice he shrinks from washing."

Willie's mamma—Is Jones a nice boy to play with?

Willie—Sure! I can beat him every time.

"What are you doing, dear?" asked the little girl's mother, as she passed to look at some very strange marks the child was making on a piece of paper.

"I'm writing a letter to Lillie Smith," was the answer.

"But, my dear, laughed the mother, you don't know how to write."

"Oh, that doesn't matter, mother! Lillie doesn't know how to read."

W. H. Wilkinson, Stratford, Ont. says:—"It affords me much pleasure to say that I experienced great relief from Muscular Rheumatism by using two boxes of Milburn's Rheumatic Pills. Price a box 50c."

"Does your wife always have the last word?"

"Um, no, I must always say. 'Yes dear,' or 'Very true, dear'."

Mary Ovington, Jasper, Ont. writes—"My mother had a badly sprained arm. Nothing we used did her any good. Then father got Hagyard's Yellow Oil and it cured mother's arm in a few days. Price 25 cents."

Fair Client—"Have you a circulating library?"

Bookseller—"No, madam, I am afraid we are quite out of them. But I can show you a revolving bookcase."

Caller—I suppose, Elsie when you grow up you will be getting married, like the other girls.

Elsie—Oh, no; I've decided I will be a widow.

LITTLE BOY WAS SO SICK

Did Not Think He Could Live.

CHOLERA INFANTUM WAS THE CAUSE.

This trouble is the most dangerous of all the summer complaints of children. It begins with a profuse diarrhoea, the stomach becomes irritated, and the child is soon reduced to great languor and prostration.

Cholera Infantum can be speedily cured by the use of Dr. Fowler's Extract of Wild Strawberry.

Mrs. JOHN POORS, Hantsport, N.S., writes—"I can recommend Dr. Fowler's Extract of Wild Strawberry for Cholera Infantum. My little boy was so sick, I did not think he could live, as he was out of his mind, and did not know any one. I gave him 'Dr. Fowler's,' and the first dose helped him, and one bottle cured him. I recommended it to a friend whose children were sick, and it cured them too."

DR. FOWLER'S EXTRACT OF WILD STRAWBERRY is a remedy that has been on the market for over sixty-five years and has been used in thousands of families during these years, so you are not making any experiment when you buy it, but be sure and get "Dr. Fowler's" when you ask for it, as there are many imitations of this famous remedy on the market.

The price is 35c, and it is manufactured only by the T. Milburn Co., Limited, Toronto, Ont.
