Another Crushing Defeat-

MR. MOSS ELECTED FOR WEST TORON HIS MAJORITY 511. On Monday the West Toronto election took place and resulted in the election

of Mr. Moss, the Reform candidate, by the overwhelming majority of 511. West Toronto is one of those constituencies arranged by John A. so as to be strongly Conservative. First Lennox emphatically declares that it has had amply repaid in a short time by the beneenough of the reign of corruption and fits conferred. rejoices in the advent to power of a pure Reform government. Mr. Moss had a majority in every ward. The total vote polled was,

the Prussian force which was beseiging Municipal Elections. that city. A few days ago the trial was After the last South Huron election, when the charter selling part succeeded in carrying the town through misrepresentation and falsehood, some of them announced their intention of introducing politics at the coming municipal elections in the confident expectation The more prudent of them saw it would never do to declare their intention openly, and their organ denied what everyone with any perception could see was their evident design. The temperature that they could put their own men in ly, and their organ denied what everyone with any perception could see was
their evident design. The temperance
question was called into requisition, and
maken. Bazaine was greatly agitated

The journal for 1874. much they may deny it, their acts show that they intend to make the contest a that they intend to make the contest a conton the pritying him in the conton of the conton o and our friends must be on the look out.

Canvassing is going on actively for the various positions. For the Mayoralty Horace Horton and S. H. Detlor are the candidates. Mr. Horton had announced his intention of retiring from the position which he has held for the last two years, but a numerously signed requisition has been presented to him which he felt he could not refuse to comply with, though he has done so with much reflictent Mayor and we have no doubt he sefficient Mayor and we have no doubt he residence of the session as assumed a new phase. Our readers are aware that the candidates. Mr. Horton had announced his intention of retiring from the position which he has held for the last two years, but a numerously signed requisition has been presented to him which he felt he could not refuse to comply with, though he has done so with much reflictent Mayor and we have no doubt he will be realested. We look upon the session of the settlement of the Municipal Loan Fund, recommend that the country Treaturer be authorized to number contains a large number of the matter, and act accordingly, and good in default of sureties to keep the murder of Thomas Scott. Lepine is in existence for twenty-eight years and his intention of retiring from the position second to none. Each number contains a large number of the Municipal Loan Fund, recommend that the County Treaturer be authorized to obtain the obtaint the opinion of the Municipal Loan Fund, recommend that the County Treaturer be authorized to obtain the absence of the Municipal Loan Fund, recommend that the County Treaturer be authorized to obtain the absence of the Municipal Loan Fund, recommend that the County Treature be authorized to obtain the obtain the obtain the settlement of the Municipal Loan Fund, recommend that the County Treature be authorized to obtain the Sheriff scalendar, that of a party in gaol in default of sureties to keep the murder of Thomas Scott. Lepine is in existence for twenty-eight years and the municipal Loan Fund, recommend that the County Treature in existence for twenty-eight years and the municipal Loan Fund that the County Treature in existence for reluctance. Mr. Horton has made an efficient Mayor and we have no doubt he will be re-elected. We look upon Mr. Detlor as a very unsuitable person for the position, and we would further caution the ratepayers against throwing away their votes on him as it is not likely he could hold the position, the government having very properly expressed the first step had now been taken to the local manner of the prisoner, outlawry in his case would engage in municipal contests.

For the Reeveship, J. T. Garrow and John Dayison are the candidates, the

during the present sitting of the Countil.—Carried.

Moved by Mr. Leckie, seconded by Mr. Donald Scott, that a grant of \$200 be given to the village of Brussels to assist in establishing a lock-up in that village, said grant to be given on the same conditions as similar grants have been given to other villages. Carried.

Moved by Mr. Greenway, seconded by Mr. Castle, that the Clerk be instructed to notify the Clerks of the respective municipalities as to the action of this Council in regard to the County roads.—Carried.

other section of Ontario could offer such facilities to farmers, and as a consequence to manufacturers of agricultural implements; also the Salt interest would of necessity be increased by the opening up of a greater amount of territory and better markets, and probably a lessening in rates of freight. We fear however that the large amount of money which will be needed will be very difficult to be got, but the benefits to be derived would warrant the granting of a large bonus. The competition which the different lines would necessarily create the second of the section of Ontario could offer such facilities to farmers, and as a consequence to manufacturers of agricultural implements; also the Salt interest would of necessity be increased by the opening up of a greater amount of territory and better markets, and probably a lessening in rates of freight. We fear however that the large amount of money which will be needed will be very difficult to be got, but the benefits to be derived would warrant the granting of a large form.

of this Council in regard to the County roads.—Carried.

A by-law, repealing by-law No. 9 of 1872 (assuming certain roads) and assuming the Bridges on these roads which the repealed by-law assumed, was read and passed.

The following report of the Gravel road and Bridge Committee was read:

The county or rather by the farmers in the County should not be thrown

report as follows: 1—That no action be taken on the petition of William Hutin the community. ton and others, asking to have Graham's bridge, near Wingham, rebuilt. 2—In reference to the Clinton bridge, on the London Road, referred to in the Engineer's report, the Committee recommend that the contract be let at once, and that the bridge be built as soon as possible. They would further recommend that it be built with stone abutments with a small Howe Truss superstructure erected thereon. With regard to the Exeter bridge, the Committe recommend that the abutment be rebuilt next summer. With regard to the Brussels bridge, it is recommended that the Engineer let the contract for building a new

requires a new floor, and we recommend that it be repaired, and that oak be used if it can be got at a reasonable price, and if not, that elm be used. All of which is respectfully submitted.

Archibald McDonald, Chairman.

Moved by Mr. Willson, seconded by Mr. Douglass, that that clause in the report referring to Graham's bridge be amended so as to instruct the Engineer to make the recessive repairs or build as make the necessary repairs, or build a new bridge if required. Lost.

Moved by Mr. Greenway, seconded by Mr. Willis, that the report be amended by instructing the Engineer to have the abutments of the bridge at Exeter built of stone and the bridge

adopted, Moved by Mr. Patton, seconded by Mr. A. Brown, that the Warden and Clerk be authorized to prepare and sign on behalf of the Council a Memorial to the Dominion Parliament to pass a prohibitory liquor law.—Carried. The Council then adjourned.

THE LONDON HURON AND BRUCE RAILWAY is likely to become an, independent line, and it appears that the Board have been able to secure running powers from London to Port Stanley and from Wingham to Kineardine. The survey and estimates have already been made for the deviation into Lonlas. Willson. Patton, Dalton, means to build the road. There will be Gibbons, Girvin, Leckie, Young, Weir, Douglas, Willson, Patton, Dalton, Perkins—31.

The amendment to the report was declared tost. The report and supplementary report were then put and carried without a division.

Moved by Mr. Hays, seconded by Mr. McDonald, that the Warden and Clerk be instructed to petition the Ontario Legislature to amend that clause of the Assessment Act giving towns and villages the advantage of 40 per cent. reduction over townships in the equalization of the assessment. Carried.

Report of Special Committee on North Riding Registry office was submitted, when it was

septance of this sum to prejudice Mr. Squier in any way with regard to payall kinds of freight, and Goderich being ment of balance claimed if found cor- the Western terminus would receive an impetus in the way of prosperity which she has never seen since the B. & L.
