### Wonderful, It True.

The Rev. Mr. Gilbert, during an address at Christ Church, the other night, remarks the *Otogo Times*, while a setting of the telephone, asked his audience if they would be astonished if he were to tell them that it was now proved to be possible to convey by means of electricity vibrations of light—to not only speak with your distant friend, but actually to see him. The electroscopist—the name of the instrument which enables us to do this—was the very latest scientific discovery, and to Dr. Goudrah, of Victoria, belonged the proud distinction. The trial of this wonderful instrument took place at Melbourne on the 31st October last in the presence of some forty scientific and public men, and was a great success. Situated in a dark room they saw projected on a large disc of white burnished metal the race course at Flemington with its myriad hosts of active beings. Each minute detail stood out with perfect file-ry to the original, and as they looked at the wonderful picture through binocular glasses it was difficult to imagine that they were not actually on the course itself and moving among those whose actions they could so completely scan.

### A Fine Hit.

When the proprietors of Burdock Blood Bitters put this renowned medicine on the market, they hit it exactly. They hit dyspepsia, indigestion, and liver and kidney complaints a hard blow, from which they will never recover.

### Farrow's Foolish Talk.

The editor of the Dundas *Banner*, writing from Ottawa pays the following compliment to our own Thomas Farrow:—"It remained for Mr. Farrow to cap the climax of absurdity in his advocacy of the N. P. The member for East Huron in his quietest tones depicted the terrestrial paradise brought about by it. To him everything was lovely and the goose hangs very high. He claimed that since the N. P. the hens laid more eggs because the farmers improved the breeds, that the hogs grew fatter and the cows gave more milk. All this was given as gospel and in the most solemn manner, and more extraordinary than all, the Minister of Finance and those of his supporters in the House observed these statements to the echo!"

Diabetes, Bright's Disease, Kidney, Urinary or Liver Complaints cannot be contracted by you or your family if Hop Bitters are used, and if you already have any of these diseases Hop Bitters is the only medicine that will positively cure you. Don't forget it, and don't get yourself puffed up stuff that will only harm you.

### Words.

It is deplorable when a man uses words he does not understand, but it is more so when a lady makes slips in conversation.

A gentleman at Dundas gave a party which was kept up to a late hour. Next morning a young gentleman called to ask for her two daughters, who, not having got up, requested their mother to say they were indisposed. The worthy matron, unaccustomed to learned phrases, informed the visitors that her daughters were deceased.

A lady in Erie, being informed by a visitor that he was suffering from a cold, prescribed this: "Just take some hot gelatin, air, and get into bed, and you'll expire directly!" She no doubt meant "perspire."

A gentleman in Wisconsin employed a house carpenter, who became an architect. He complained to a neighbor that he was less attentive since he became an "architect."

An honest old Scotch-woman remarked to her master that she had seen all about a certain case in the "Illustrated"—she meant the *Illustrated News*.

Mr. J. R. Seymour, Druggist, St. Catharines, writes that he finds an ever increasing sale of Burdock Blood Bitters, and adds that he can without hesitancy, recommend it. Burdock Blood Bitters is the grand specific for all diseases of the Blood, Liver and Kidney.

### The Orange "Champion."

And throughout the whole discussion Sir John sat silent, listening to the onslaughts of the opponents of Orange incorporation without raising his voice to say a word in defence, or in support of the measure he promoted. When he could pass through Parliament for their benefit. What powerful influence kept the gag in Sir John's mouth on such an occasion?—[Sarnia Observer.]

### Answer this.

Can you find a case of Bright's Disease of the Kidneys, Diabetes, Urinary or Liver Complaints, that Burdock Blood Bitters has not cured? Ask your neighbors if they can.

### A New Motto.

It is stated that the motto of the Loyal Orange Lodges of Canada is to be changed to "We Surrender."—[Sarnia Observer.]

The month of April is the time that the wise man takes a Blood Purifier. You cannot get a better or safer medicine than Dr. Carson's Stomach and Constipation Bitters. Price 50 cents a bottle. Ask your druggist about it.

THE POINT ON WHICH THE CELEBRATED Abernethy method insisted was the STOMACH, and that the important organ be maintained that all diseases could be cured. The truth of this observation is evident when we consider that the stomach is the seat of all diseases of debility to correct errors in nutrition arising from failure of digestive apparatus to convert food enough into healthy blood to maintain the daily work of the system. For the cure of stomach troubles, we have probably the most reliable remedy yet originated in Dr. Wheeler's Phosphates and Calceas.

### A Run on a Drug Store.

Never was such a rush made for any Drug Store as is now at J. Wilson's for a Trial Bottle of Dr. King's New Discovery for Consumption, Coughs and Colds. All persons affected with Asthma, Bronchitis, Hoarseness, Severe Coughs or any affections of the Throat or Lungs, can get a Trial Bottle of this great remedy free, by calling at above Drug Store. Regular size \$1.

### Giants in These Days.

J. H. Reichart, of Friedburg, whose father and mother were both giants, was eight feet three inches in height. Chas. G. the Chinese giant, is seven feet six inches high. James Gilbert, mulatto, of Chatham, N. C., who travels with Barnum's show, is seven feet. Undoubtedly the most wonderful of living giants is Capt. Bates, the Kentuckian, who now resides on a farm near Seville, O., when he is not on exhibition; and Mrs. Bates is the most colossal of giants. The Captain is 35 years of age, yet he weighs 526 pounds, is seven feet 11 inches high, measures seventy inches around the chest, and wears No. 10 hat, a thirty-inch collar and a 17 boot. Mrs. Bates weighs 439 pounds, is 31 years of age, as tall as her husband, and sports a bosom of eighty yard-piece.

The maintenance of a healthy state of the system is the surest protection against disease. Experience has shown that the use of Dr. Carson's Stomach and Constipation Bitters, a perfect state of health is assured. They free the system of all impurities, cleanse and purify the Blood. For sale by all Druggists at 50¢ a bottle.

"Why should a man whose blood is warm sit like his grandfathers in Alabama? Or let his hair grow rusty, scant and thin. When 'CHOCALUSSEK' will make a grow the faster. For sale by J. Wilson.

### These Protesters.

The Reformers profess to believe that the upshot of the trial of election petitions will be to do their side more good than harm. The entering of protests was begun wholesale by the Conservatives, who argue that as they so nearly won the day in the field, it is worth trying if they can get four or five seats upset in the courts. The Reformers followed their opponents' example by entering protests too. The way in which the Reformers argue is this: they say that they had no election fund to draw on, and that therefore there could have been very little spent, whereas the Conservative had quite a fund, and took care to expend it "where it would do most good."

### A Great Discovery.

That is daily bringing joy to the homes of thousands by saving many of their dear ones from an early grave. Truly is Dr. King's New Discovery for Consumption, Coughs, Colds, Asthma, Bronchitis, Hay Fever, Loss of Voice, Tickling in the Throat, Pain in Side and Chest, or any disease of the Throat and Lungs, a positive cure. Guaranteed. Trial Bottles free at J. Wilson's Drug Store. Large size \$1.00.

### A Wall From Mr. Davis.

The Regina Leader (Conservative) has not a very high opinion of the financial skill of the great tariff incubator. It says: "Sir Leonard Tilley will add to his reputation as a financier if he recognizes the fact that it is as ridiculous to apply the same tariffs to Regina as to Toronto, as it would be to wear the same overcoat in Regina that one had been accustomed to wear in Toronto, or even Ottawa."

"Blood will tell." A face adorned with Pimples, Boils, Blotches, etc., is not a particularly pleasant sight, and invariably betokens an impure state of the Blood. Dr. Carson's Stomach Bitters free the system from all gross humors, renders the Blood pure and cool, aids digestion and gives a healthy appetite. For sale by all Druggists in large bottles at 50 cents.

One of our best citizens would say to the public that he has tried Hall's Catarrh Cure, and it is all that is claimed for it. Price 75 cents per bottle. Sold by Geo. Rhynas, sole agent for Goderich.

### The Popular Majority.

The official returns are now all in and the popular majority in favor of the Mowat Administration ranges from 3,000 to 18,000, according to the way in which you count the votes of those constituencies which returned members by acclamation, or in which more than two candidates appeared, or where the two candidates were of the same political faith.—[Sarnia Observer.]

Perfect, Positive and Pleasant are the cures effected by Dr. Van Buren's Kidney Cure. Relief in all cases of Kidney Disease is obtained after a few doses. See that your Druggist gives you Dr. Van Buren's Kidney Cure. Sold by J. Wilson.

No household should be considered complete without a bottle of Dr. Van Buren's Kidney Cure in the closet. It is the only remedy that will positively, permanently and promptly cure all forms of kidney diseases. Sold by J. Wilson.

### A Startling Discovery.

Physicians are often startled by remarkable discoveries. The fact that Dr. King's New Discovery for Consumption and all Throat and Lung diseases is daily curing patients that they have given up to die, is startling them to realize their sense of duty, and examining into the merits of this wonderful discovery, resulting in hundreds of our best Physicians using it in their practice. Trial bottles free at J. Wilson's Drug Store. Regular size \$1.00.

Rev. Solomon Peter Hale illumined our sanctum Wednesday morning and assured us, with a wealth of vocabulary peculiarly his own, that he was not being forsaken in his old age. He was probably referring to a recent presentation of a broadcloth suit by his fellow townsmen of Ingersoll.—[Woodstock Sentinel Review.]

### [Seward (Neb.) Reporter.]

#### Remarkable Enclosures.

Mr. B. S. Crane, manager and treasurer of the Alvin Jolin Comedy Company, struck Cheyenne the other day upon business connected with the appearance of that splendid company in this city at an early day. A reporter called upon Mr. Crane at his rooms at the Inter-Ocean and spent a few pleasant minutes in conversation about the coming attraction. Mr. Crane assured the writer that the company never have the reputation of the journeymen of the company is all that could be desired and that the public may look for even better performances this season than last. Noticing that the manager looked a little pale the writer remarked upon the fact, but received the reply that he was in good health.

"But," continued Mr. Crane, "I did have a pretty serious time of it last summer in New York."

"What was the trouble?"

"I had a very sharp attack of rheumatism. The disease attacked my left leg and left arm, and for a time I could neither walk upon the one nor raise the other to my head. I suffered horribly. Did you ever have the rheumatism, sir?"

Addressing the reporter, "If ever you are stricken with it there is one thing I can recommend as a pretty sure cure, and one which will probably give you quicker relief than anything else you can employ. I refer to the Great German Remedy, St. Jacobs Oil. I am aware of the prejudice which many entertain against advertised medicines. I felt thus about the St. Jacobs Oil and thought my aversion was too deeply rooted to be dispelled. But a man will sometimes catch at a hope as it flies. I purchased a bottle of it, when I found nothing else applied giving relief, and commenced applying it. It proved a most effectual remedy, and the use of three bottles cured me."

"And you are now quite a devotee of St. Jacobs Oil?"

"That is perhaps, drawing it too strongly. I certainly do believe it a fine specific for rheumatism, and as my belief is based upon personal experience, I don't mind commending it to you to others."

In the office of the hotel, the reporter met Mr. Geo. A. Dunlap, who is the popular and efficient representative of Cheyenne of the Chicago firm of Wood Bros., live stock commission merchants. Happening to mention the interview with the manager of the Alvin Jolin company and what he said about St. Jacobs Oil, Mr. Dunlap replied that he was not surprised at the variation of the circumstances, for the Great German Remedy was a good medicine and he could also commend its virtues.

"Are you struck on Oil, too, Mr. Dunlap?"

"Well, I don't exactly put it that way, but I believe it a good remedy all the same. My experience with it is somewhat limited, but of sufficiently recent date to make me vividly remember what it has done for me. While superintending the loading of cattle this Autumn I fell from a car and seriously hurt my left knee. I believe a blood vessel was ruptured and the muscles severely strained. I could not walk for several days, and do not know that I would be capable of active locomotion now, were it not for the kindly office of St. Jacobs Oil. Its powerful healing and stimulating properties put me right on my feet. It did, for a fact, and you can use the information if you so please."

"Almost everybody," remarked Mr. A. C. Stayart, representative of hats and caps at Denver, "uses St. Jacobs Oil when I came from. I once had a very sore foot and very naturally employed the Great German Remedy. It cured my foot in a very short time. I also can recommend it."

"Are there any other gentlemen present who would like to endorse this wonderful specific?" said the reporter. "It has assumed the importance of a public question, and I intend to write it up for the benefit of others who may need the office of this medicine."

"Yes," replied Mr. Wm. H. Dunlap, representing a great coffee house of St. Paul and Co., Milwaukee, "put me down as another believer in St. Jacobs Oil. I had rheumatism and St. Jacobs Oil cured me. You can just bet on it every time."

"Gentlemen," remarked the reporter, "this is a remarkable coincidence. Two Mr. Dunlaps, each of whom never met the other, both endorsing St. Jacobs Oil, followed by another gentleman in the room. It is a regular experience meeting. It will not be paralleled soon in Cheyenne."

The reporter was subsequently informed by one of the prominent druggists in the city that Father Hayes had also used the Great German Remedy for rheumatism, and, having been cured, commended its employment to his people.

The above is a true bill, and may be relied upon.

### Headache.

Headache is one of those distressing complaints that depends upon nervous irritation, bad circulation, or a disordered state of the stomach, liver, bowels, etc. The editor and proprietor of the *Canada Presbyterian* was cured after years of suffering with headache, and now testifies to the virtue of Burdock Blood Bitters.

Headache, Biliousness, Dyspepsia and Constipation promptly relieved and cured by the use of Dr. Carson's Stomach and Constipation Bitters. As a family medicine they are far superior to pills. In large bottles 50 cents.

## HALL'S Vegetable Sicilian HAIR RENEWER

was the first preparation perfectly adapted to cure diseases of the scalp, and the first successful restorer of faded or gray hair to its natural color, growth, and youthful beauty. It has had many imitators, but none have so fully met all the requirements needed for the proper treatment of the hair and scalp. HALL'S HAIR RENEWER has steadily grown in favor, and spread its fame and usefulness to every quarter of the globe. Its unparalleled success can be attributed to but one cause: the entire fulfillment of its promises.

The proprietors have often been surprised at the receipt of orders from remote countries, where they had never made an effort for its introduction. The use for a short time of HALL'S HAIR RENEWER wonderfully improves the personal appearance. It cleanses the scalp from all impurities, cures all humors, fever, and dryness, and thus prevents baldness. It stimulates the weakened glands, and enables them to push forward a new and vigorous growth. The effects of this article are not transient, like those of alcoholic preparations, but remain a long time, which makes its use a matter of economy.
