GODERICH, ONTARIO And is despatched to all parts of the surround ing country by the earliest mails and trains. By general admission it has a larger circulation than any other newspaper in this part of the country, d is one of the raciest, newsiest and most reliable journals in Ontario possessing, as it does, the fore-going essentials and being in addition to the above, a first-class, family and fireside paper—it is therefore a most desirable advertising medium.

TERMS.—\$1.50 in advance, postage pre-paid by publishers; \$1.75, if paid before six months \$1.00 if not so paid. This rul will be trictly suffered.

sed.

ES OF ADVERTISING.—Eight cents per first insertion; three cents per line for ubsequent insertion. Yearly, half-yearly laterierly contracts at reduced rates.

FRENTING.—We have also a first-class we department in connection and recessor. bing department in connection, and possesses the roost complete out-fit and best facilities turning out work in Goderich, are prepared do business in that line at prices that cannot be roasten, and of a quality that cannot be roassed.—Terms Cash

FRIDAY, FEB. 271H. 1885.

TO OUR READERS.

As it has been announced by a number our contemporaries that Mr. D. Mc-collicuddy, of The Signal, is about to sever his connection with journalism, we wish to state that the rumor is incorrect. It is quite true Mr. McGillicuddy has signed a contract for a certain class of was in Toronto a few months since he work, for a stipulated time, with a leading insurance company, but the engagement does not affect his journalistic position in the slightest. The proprietory interest by Ontario's Lieut.-Governor. But we ment concerned. On Tuesday he moved in the adjusting learnest to a stipulated the concerned of the contract for a certain class of was in Toronto a few months since he was not invited to Government House by His Honor, nor was he congrigulated the Government on the move in condition with the affairs of the departing of the concerned. On Tuesday he moved in the slightest. The proprietory interest by Ontario's Lieut.-Governor. But we ment concerned. On Tuesday he moved with him the significant of the contract for a certain class of the had long been laid aside from regularity five, became acquainted with him. His the Government on the move in condition with the affairs of the departing of the concerned. On Tuesday he moved with him the concerned of the had long been laid aside from regularity five, became acquainted with him. His the Government on the move in condition with the affairs of the departing of the condition with the affairs of the departing of the condition with the affairs of the departing of the condition with the affairs of the condition with the affai It is quite true Mr. McGillicuddy has undertaken independent of the firm.

Mr. Cauchon, late Lieut.-Governor of Manitoba, and at one time a promin-harmony with its views on public questions, have not escaped its contemptible lashings and insinuations.—(The Star. sday, of paralysis.

some dirty work. The Clinten New Era candid comparison between the conduct says :- "The Vidette is publishing an of the two journals during the past four advertisement that is a disgrace to any years, feeling fully assured that the John Ress R newspaper." The Vidette is in the hands pharisaical Star will be convicted not one round. of a fellow who will not stop at anything only of falsehood, but also of hypocrisy however low to bring himself gain or netoriety. By the way, when will he make a clean breast of his connection with the "Garland" counterfeiting that such an idea could only be the out dodge?

which is very fine, is blown into the eyes than fiction. When Lee was first placed and nestrils, and much suffering is en ton the trap, he was cool and self-possess dured by man and beast. The only way ed, and apparently prepared for his the British troops can escape its worst effects is by falling face dewnwards upon to work, his sensation must have been of the ground behind earthworks or other shelter while the Kamsin is blowing. The time was the deemed man placed on the horses will be the werst sufferers.

THE Blyth Advocate has the following personal mention of the Warden :-

"P. Kelly left on Monday to attend e anti-Scott convention held in Ottawa on Tuesday. Pat makes a good representative, but his influence will have a Mr. Kelly did not take his trunk with him this trip, but a satchel, so that he would be able to carry it to his private apartment and not be compelled to leave it in the hall of Sir John's residence.'

OUR sleepy contemporary, the Star, notes the fact that our editorial matter editorially and by correspondents, we now appears on the first page, and says it is placed there "probably that it may 1878, Sir John Macdonald was present patient is either killed or cured. not be everlooked by their readers.' read, independent of position. The THE SIGNAL editorials are always well Star must be dull-witted not to perceive to refer to some personal matters, and in that THE SIGNAL, like an enterprising journal, studies the matter of "make up" for itself. The best proof of its success in this respect is that the Star has for the past four years copied our style of make up, position of matter etc., as closely as possible, although the matter this reason. A man doesn't load a canof our dreary contemporary has generally been as devoid of snap as its editor is of moral backbone. We will not be surprised if the Star at some time in the

THE Hamilton Times "sizes up" its temporary as follows :-

the pith of which is that if Sir John Madonald decides to further subsidize the Syndicate that will be the proper thing to do, but if Sir John decides not to grant

whether or not they apply for Dominion opinion was that the taking out of such licenses well be a useless expense, and well serve no good purpose. In Huron we will have the Scott Act, and censely quently no hotel licenses will be issued. But those who foolishly took out Domin-Team and the population of the conditions of the conditions of the conditions of ministerial work were much mere arduous than they should cherish his memory is that the weather for the past week has been fatal to peach trees in Essued. But those who foolishly took out Domin-Team in the conditions of ministerial work were much mere arduous than they aloud cherish his memory is that when all the peach trees will be killed. But those who foolishly took out Domin-Team in the case, "Father, not as I will, but as by his devoted and unsparing labors to the unit of the foundations at a time when the conditions of ministerial by his devoted and unsparing labors to the will be that now shines around him, the veil which covers so many of God's dispensations towards his people now are. Another special reason why it will be but a few years, at farthest, when all the peach trees will be killed. But those who foolishly took out Domin-Team in the light of infinite love would be the conditions of ministerial by his devoted and unsparing labors to the will but at the towards the laying of its foundations at a time when the conditions of ministerial by his devoted and unsparing labors to the will be account to the work were much mere arduous than they have the conditions of ministerial by his devoted and unsparing labors to the will be that now shines around him, the veil which covers so many of God's dispensations towards his people he tree will be work were much mere arduous than they have the conditions of ministerial by his devoted and unsparing labors to the will be that now shines around him, the veil which covers so many of work were much mere arduous than they have the conditions of ministerial by his devoted and unsparing labors. Then will, but as the laying of its foundations at the lay sorry for it.
