This entire stock including all fixtures and everything in and about the place that is part of this Business must be cleared out.

It is not a question of Price, nor Cost or Values, we must get rid of the Stock --- That is the only object --- The one and only aim and the question now is **WHAT WILL YOU GIVE TO CARRY AWAY WHAT YOU WANT OF THE GOODS.**

This is an absolute Selling Out and Quitting of the business --- Positively every item --- Every piece and pin must be sold out --- Emphatically not one stick will be carried over or moved away by us --- It all must be sold on the premises --- So come to this Closing Out Sale and make your offer --- We will meet YOU.

To evidence that this is a real, genuine selling out and quitting of this Business and that Costs and Values have been set aside and Forgotten, so they absolutely take no part in the making of prices, we here give you a brief list of Selling Out prices we make on the goods and if there is the Slightest Question in any one's mind that the prices are not the lowest ever given to the People just you come and see the qualities and set your own Price.

Consider the fact that this is a positive selling-out of this entire stock for good. That we are seriously in earnest when we state that we will not turn down any consistent offer for any article or piece of goods in this shop, and you will realize that IT IS YOU and NOT us who are going to benefit largely and save Big Money by buying at this Closing out Sale. Come and see how very thoroughly in earnest we are and how fully we will "make good" our every claim—don't forget—The sale of this stock begins SATURDAY, Dec. 2.
