

"A Household Word."
The Emerson Piano
 has become a household word in Newfoundland and stands as a synonym for all that constitutes a musical and enduring Piano-forte.
CHARLES HUTTON,
 Sole Agent Newfoundland.
 N. B.—Within the last few months I have played on Emerson Pianos that were bought here 25 and 30 years ago, and with the exception of a small portion of the centre, which was a bit worn, the Pianos were practically as good as the day they were sold.
