STEWART'S Home Made Bread, THE BREAD MY DADDY LIKES.

Daddy is evidently not one of those back number
lords of creation who believes that woman's place is
in the home—and only there. His taste in a wife is
an up-to-date woman who will prove herself a real
companion. He knows that if she is a slave to her
kitchen she can't enjoy the poise or have the interest
in world affairs that a little extra leisure would make
possible; and so he is pleased to eat MRS. STEWART'S
HOME MADE BREAD—the loaf with the home made
flavor.
The smiling, well-nourished kiddie doesn't look as
though suffering because mother is progressive enough
to buy good bread made by a bread specialist, instead
of wearing out her life in the kitchen.

Eat Stewart's Home Made Bread.

Why waste your money on an inter-
ior piano and player-piano repairing
and tuning service? You will eventu-
ally have to come where your work
can be done in first-class style and
perhaps done over again. So save
yourself the initial expense and have
your work done right the first time.
Also, send in your orders early as the
demand for this service is greater
than ever. If address below is not
