There are matters of importance, far in advance of an immediate settlement of the Labrador Boundary, that require instant attention. The Speech from the Throne states that the revenue for the year ended June 30, 1920, showed a substantial surplus over all expenditures. but there is an expression that the revenue for the current fiseal year, which terminates on June 30th next, will not be sufficient to meet expenditure on The Pastor of St. Patrick's requests the gentlemen of the great annual burden of expenditure imposed upon the country.
