Stafford's Phoratone Coug

will cure almost every ordinary cough or cold in very short time, generally in twenty-four hours if taken at the first symptoms.

At this time of the year it is very hard to avoid colds, but the minute you feel you have taken cold is the best time to take a remedy. You thus avoid any of the dangers that very often follow a cold.

Don't depend on luck to cure you-have a bottle of

PHORATONE

always in the house and use it when the cold starts. That's the best way-and the safest
