

For Coughs and Colds

take
Stafford's Phoratone

This excellent mixture will cure almost every ordinary cough or cold in very short time. The best time to take it is the minute you feel you have taken cold.

**WE GUARANTEE IT
WE RECOMMEND IT**

because we have sold thousands of bottles and because customers are continually asking for PHORATONE in preference to other mixtures.

You can purchase PHORATONE in two sizes
35c. and 60c. Per Bottle.

TO YOUNG MEN!

This is specially addressed to the young men who are following the trend of style especially as regards trousers. If you want the bell bottom trousers, with or without cuff, here is the place to get them; we are making and have made recently some splendid examples of this style. This also applies to the straight hanging English trousers hanging free from the hips to the cuff; with plenty of room at knees and bottom.
