MAKES A PERFECT WALL FINISH

Lecture on First Aid

The first of a series of lectures on First Aid, arranged by Inspector General Hutchinson, took place at the Central Fire Hall yesterday morning, when a lecture was delivered by Dr. E. F. Powers, to the men of the Constabulary. Practically all the older members of the Force have passed First Aid and a similar advantage to now being given the men who joined up recently. The lectures will be con-

tinued from time to time until a full course has been given.

FOOTBALLERS MEETING.

Old Fellidians Elect Officers.
A largely attended meeting of the Old Fellidians was held in the College last night, when much work was done in connection with the season's athletics. The Fellidians will enter a strong team in the Football League the coming summer, and promise to be strong cup contenders. The election of officers for the team resulted as follows:

Captain—Ron Martin.
Vice-Captain—A. Lloyd.
Secy.—Treasurer—H. C. Hayward.
Asst. Secy.—Treasurer—C. Dave.
It was decided that, weather permitting, the first practice for the team will take place on Thursday morning at 11 o'clock, and a large number of Fellidians, who are hoping to make their places on the eleven, will no doubt be present.

M.G.C.A. MEETING.

Inter-Town Sports Discussed.
The regular monthly meeting of the M.G.C.A. was held last night, a large number of members attending. Several applicants were admitted to membership. The Association has decided to install a radio set in their rooms and the pole has already been erected. Two machines will be tested out to-day and the one selected will be connected up so as to receive the concert at George St. Church to-night. The local Association has been approached by the branch at Grand Falls to make an excursion to that place during the summer. The idea, which was discussed at length, is to take out thirty-five of the athletes, possibly in July, to compete in a series of sports with the men of the Paper Town. It was suggested that athletes be invited also from Corner Brook so that a regular big field day with a full programme could be held. It is hoped to have the idea develop into Island Championship Meets being held at Grand Falls, which is a central point and most convenient for the holding of the same. The whole matter will be further dealt with at the meeting of the Sports Committee to-night. The Guards hope to foster inter-town sports all over the Island, having a chance to compete for the championships under the supervision of the N. A. A. A.

F. MELLOR WINS BOSTON MARATHON.

The Boston Marathon Race, run over a course of 26 miles, 385 yards, took place at Boston yesterday, and was won by "Freddie" Mellor, in the time of 2 hours, 35 minutes 35 sec. Clarence Decker, the Melrose runner, was last year's winner, came second.

The above message was received in a flash message by the Anglo last night.

CAMBRIDGE WON BIG RELAY RACE.

Defeated Pennsylvania and Oxford Colleges in International Event in London.

LONDON, April 11.—Cambridge won the three-cornered International Relay Race with Pennsylvania and Oxford here to-day.

Pennsylvania was second and Oxford third.

Cambridge won by five yards in 3 minutes, 22 3-5 seconds.

Ray Wolf, of Pennsylvania, held the lead to near end of the last lap, but set a pace too hot for himself and weakened near the finish, coming in behind both the Cambridge and Oxford runners.

Johnson, of Oxford, former McGill University runner led the field in the second lap where the three runners were fairly well bunched.

Lord Burghley, of Cambridge, by a wonderful sprint to the end of the third lap, gained the lead, and won the Olympic champion, D. G. A. Lowe, the Cambridge Olympic star, waiting to take the baton, the result was almost inevitable.

WILL NOT PLAY IN THE OPENING GAME.

NEW YORK, April 12.—The condition of Babe Ruth was improved to-day, it was announced by Dr. Edward King, his physician, who has been attending the American League's star home run hitter since he was taken to a hospital Thursday, suffering from an influenza attack. His patient was still running a slight temperature, Dr. King said. It is very unlikely that Ruth will be allowed to play in the opening game of the American League.

champions, Washington Senators.

gue, Tuesday, against the world's champions, Washington Senators.

ODIE CLEGHORN IS SOLD TO NEW YORK CLUB IN N.H.L.

Canadian Forward And Other Canucks Stars To Be On New Professional Team.

MONTREAL, April 12.—While attending the meeting of the National Hockey League Directors here over the week-end, T. P. Gorman, Manager of the New York Hockey Club, which has just been granted a franchise, to play in the National League next season, purchased two players for his team, and secured the rights to two others.

From the Canadiens he purchased Odie Cleghorn and Metz, and the rights to Kettlebourne, the Niagara Falls left wing player, on whom the Canadiens had a string. From the Toronto St. Patrick's he has obtained the rights to Pete Bellefeuille, whom the Toronto Club signed last season. They could not, however, get the London and former Three Rivers star to report. Gorman also announced that he had secured three players from the Western Canada Professional Hockey League, but would not divulge their names.

Gorman intimated that Odie Cleghorn would likely be made Captain of the new Club and act as coach.

CLOCKERS CREDIT MR. NURMI WITH IMPOSSIBLE TIME.

(By AL COPLAND).
Now that Paavo Nurmi has completed half of his transcontinental tour in quest of runners to beat and records to break, it is apropos to remark that of the myriad of marks he has caused to be tabulated in the athletic annals of the world, none appeals to him as superior to his mile and a quarter in 5 minutes, 23 seconds, done at the 106th Field Artillery meet in Buffalo, two months ago.

In that race he was clocked at two other distances—2,000 yards and 2,000 meters—at both of which he made the keeper of records doff his title when he did 4:53 and 6:22, respectively.

It is with the difference in yardage and time between 2,000 yards and 2,000 meters—approximately 187 yards in 29 seconds—and the difference in yardage and time between 2,000 meters and one and a quarter miles—43 yards in one second—that we desire to take issue.

Leading up to the 2,000 meter stage, where Nurmi was timed in 5:22, his average per second was approximately 6.82 yards, while in the second immediately following he is credited with the tremendous pace of 13 yards, a pace which has never been accomplished by a runner at any stage of any distance ever run. We do not write this to detract from Nurmi's performance but to show up some woody timekeeping.

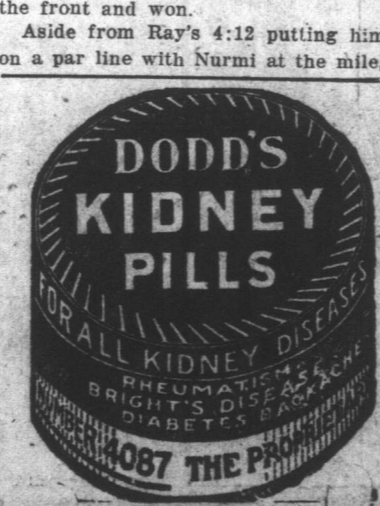

While on the subject of timekeeping we recall the alleged wall of Lloyd Hahn, in which he is credited with saying he should have done 4:10 in the recent Knights of Columbus games mile, won by Joe Ray in 4:14. Lloyd is supposed to have said that the third quarter of that particular mile was too slow.

If it was "too slow" no one but Hahn was to blame, for it was he who set the pace right up to the three-quarter mark, where the redoubtable Joe Ray took up the running and came home with a 59 2-5 second last quarter, which apparently attended to the case of Lloyd, who did but 4:12 2-5, while Ray was clocked in 4:12, equalling the record made by Nurmi in Buffalo ten days before.

If it was "too slow," this particular third quarter will be found to have been the fastest third quarter run over the garden track last winter. Hahn, as stated, made the pace right up to the three-quarter mark, with his intermediate quarters 62 seconds, 2:08 and 3:12 3-5. If Hahn, after making the pace to suit himself, couldn't beat Ray, what chance would he have had if the pace had been what Ray made it the night he did 4:13 4-5, when Ray turned loose the following intermediate quarters: 58 2-5, 2:02, 3:09 3-5, or a third quarter of 1:07 3-5?

We recall the mile race won by Hahn in which he did 4:13 2-5. He must have thought the pace to the ninth lap, about 1,00 yards farther than three-quarters of a mile, fast enough when Willie Goodwin was showing the way at the latter distance in 3:12 2-5, for it was only two laps from home that Hahn went to the front and won.

Aside from Ray's 4:12 putting him on a par line with Nurmi at the mile.

MINARD'S LINIMENT RELIEVES PAIN.

that particular performance stands out as one of the most wonderful eight furlong footraces ever run when it is considered that Ray was behind Hahn at half a mile in 2:08, and ran the last half mile in better than 2:04. And this the man the American coaches didn't think belonged as Uncle Sam's ace for the 1,500 meter race last summer at Paris! It is to laugh!

WILLIE HARMON TO FIGHT MITCHELL.

NEWARK, N.J., April 10.—Willie Harmon, Newark welterweight boxer, who is seeking a title match with Mickey Walker, world's welterweight champion, will meet Pinky Mitchell, of Milwaukee junior welterweight champion, at the Newark Armouries, on Wednesday, April 22. The match will be for 19 rounds, no decision.

VILLA TO MEET SENCIO FOR TITLE.

MANILA, April 10.—Announcement was made to-day that a 15-round bout, May 2nd, between Pancho Villa and Clever Sencio, will involve Villa's flyweight championship. Sencio is experiencing trouble in making the weight, and Villa is said to be much overweight.

PAUL BERLEBACH ISSUES CHALLENGE TO MIKE MCGUIRE.

Commissioner Will Pick Contender For Irishman To Meet.

NEW YORK, April 10.—Paul Berlebach, New York light-heavyweight, to-day filed a challenge with the State Athletic Commission for a match with Mike McGuire, world's light-heavyweight champion. The challenge was accompanied by a certified cheque for \$2,500. The Board accepted the challenge and notified McGuire. The market will remain open for further challenges after which the Commission will recommend to McGuire that he risk his title in a match with the man it selects as the most logical contender.

Von Stroheim's "Greed" Proved Triumph of Art

STARK REALISM IN PHOTOPLAY VERSION OF FRANK NORRIS' "MCTEAGUE."

One of the most significant pictures of all motion picture progress is "Greed," the film version of Frank Norris' novel, "McTeague," which opened yesterday at the Nickel Theatre. This is the latest production made by Erich von Stroheim, director of "Foolish Wives" and "The Devil's Pass Key," and in it he achieves a triumph of realism. If the Norris novel is considered an American classic, von Stroheim's screen drawing certainly must be put in the same category. "Greed" gives a stark, naked view of life; it shows how two human beings disintegrate and go to the very dregs, without omitting a detail of the downward path. And through all this vigorous film painting there runs a wonderful vein of comedy—comedy culled from the rocky ridiculousness of real life.

There is coming to the Nickel soon, Harold Lloyd's latest comedy "Hot Water."

"The picture of a hundred laughs" is what people called "Hot Water" after reviewing it at one of the four previews held on the West Coast. For there are fully that many big laughs throughout the production. And they come so fast that one's sides will actually ache from laughing.

"No home is big enough for two families," is the basis of the story—and there are thousands of young married couples who will vouch for the sanity of this idea.

"Mary Queen of Scots" Delights Large Audience

MAJESTIC PATRONS PLEASSED WITH FAMOUS FEATURE.

One of the most important pictures produced for the British Film Weeks was "The Loves of Mary Queen of Scots" which was shown at the Majestic Theatre last night. It is marked by an intense realism which adds immensely to its effect.

Many of the scenes in which the celebrated queen lived her tempestuous life-figure in the production, including Holyrood Palace.

Gerald Ames, the Bothwell of the picture, is the amateur fencing champion, and shows his skill in numerous incidents, while the other actors who took part in the stirring fights had special lessons in fencing.

For the attack on and capture of the Queen, hundreds of Argyll and Sutherland Highlanders were engaged.

The same spirit of realism was carried into other parts of the picture. For instance, the twenty different dresses worn by Mary Compton as Mary were all specially designed by Mr. Herbert Norris, well known for his work in connection with the Winchester Pageant, the Shakespeare Ball, etc. Two of them were studied from famous pictures of the Queen.

"The Loves of Mary Queen of Scots" is not merely a chapter of history, it is a thrillingly large drama of one of the most remarkable and picturesque characters who ever lived, and has been truly described as "One of the

At The Nickel To-Day!

FATE took him from the mining camps and cast him in the role of Dentist—McTeague the Giant, with the heart of a child—in his amazing life story are woven love of woman and love of gold. Here is mighty drama.
