Saturday, March 21. The rain last evening did not improve the condition of the roads, which the Cooking. farmers agree are the worst experienced in a number of years past. From this fact alone there is no doubt, but that it helped to diminish the attendance at the market held here today. Notwithstanding the drawback mentioned there was a fairly large attendance, and almost equaled that of last Saturday. The feature of the market was the amount of small stuff, which was offered, which was very large for this season of the year.

Grain-There were fully 40 loads of oats offered and prices were slightly lower than those paid on Thursday. The millers have not bought many loads for the past two weeks in this market, as they claim they could purchase them at a lower price at outside points.Most of the loads offered sold at 92c; a few

loads went at 93c. Butter and Eggs—Butter was in fairly large supply, and in good demand at 20c to 22c for pound rolls and 19c to 20c for crocks. Eggs were in large supply and prices were easier at 11c to 121/2c per dozen. Some, it was said, sold as low as 101/c by the crate. considerable

Poultry-There was offered in this line, and the following prices were most frequently paid: Turkeys, dressed, at 14c to 16c per lb; chickens, 75c to \$1 per pair; alive they sold at 50c to 75c per pair.

Apples—Were a slow sale at \$1 to

\$1 25 per bbl, or 40c to 50c per bag.
Vegetables and Roots—There was
quite a few small loads of potatoes on sale at \$1 20 per bag by the load and \$1 25 per a single bag. Turnips sold at 25c to 35c per bag. Cucumbers, 60c per doz; radishes, lettuce and parsley at 30c to 40c per doz; rhubarb, 75c per doz; spinach, 80c per bu. Dressed hogs—About 40 carcasses on

sale, and prices were \$8 50 to \$8 60 and \$8 75 per cwt.

Live hogs—The prices for Monday
will be \$6 25 per cwt; small pigs sold at \$6 to \$10 per pair, according to size. Maple syrup—A few lots in, which sold at \$1 to \$1 25 per gal. Hay and straw-Only ten loads of hay offered; the demand was good at Oats-May. to \$10 per ton; straw scarce at \$5

to \$5 50 per ton. Later in the day oats dropped to 90c to 91c per cwt owing to the large deliveries. Some heavy hogs were weighed on the city scales for shipment to Buffalo,

for which \$4 to \$4 75 per cwt was paid, GRAIN, PER CENTAL.

TORONTO.

Toronto, March 20.—There is a decided scarcity of good shipping cattle, and there is nothing coming in. This condition has a decidedly depressing effect upon the purchases of the buyers, and many have done very little business as a result. The bad condition of the roads is held accountable for the scarcity, farmers finding it difficult to drive their cattle to shipping places and when close to the AMERICAN MARKETS

A CURE FOR FEVER AND AGUE.—
Parmelee's Vegetable Pills are compounded for use in any climate, and they will be found to preserve their powers in any latitude. In fever and ague they act upon the secretions and neutralize the poison which has found its way into the blood. They correct the impurities which find entrance into the system through drinking water or food, and if used as a preventive fevers are avoided.
