Child Quits Car Crash Follows

Fails To Arouse Drunken
Driver, So Walks.

Special to The Advertiser.
Goderich, Oct. 21.—Peter Breckner of London is now spending seven days in jail for driving his car while drunk. On the road near Zurich, Breckner picked up a little girl for a ride, and at that time could not control the car. The child thinking him sleeping tried to arouse him, but was unable to do so and got out of the machine. Scarcely had she escaped when Breckner crashed his car in the ditch, damaging the car and sustaining severe facial injuries.

How to Make Pine Cough Syrup at Home

Has no equal for prompt results.
Takes but a moment to prepare,
and saves you about \$2.

You know that pine is used in nearly all prescriptions and remedies for coughs. The reason is that pine contains several peculiar elements that have a remarkable effect in soothing and healing the membranes of the throat and chest.

Pine cough syrups are combinations of pine and syrup. The "syrup" part is usually plain sugar syrup. To make the best pine cough remedy that money can buy, put 2½ ounces of Pinex in a 16-oz. bottle, and fill up with homemade sugar syrup. Or you can use clarified molasses, honey, or corn syrup, instead of sugar syrup. Either way, you make 16 ounces more than you can buy ready-made for \$2.50. It is pure, good and pleasant—children like it.

You can feel this take hold of a cough or cold in a way that means business. The cough may be dry, hoarse and tight, or may be persistently loose from the formation of phlegm. The cause is the same—infamed membranes—and this Pinex and Syrup combination will stop it—usually in 24 hours or less. Splendid, too, for bronchial asthma, hoarseness, or any ordinary throat ailment.

Pinex is a highly concentrated compound of genuine Norway pine extract, and is famous the world over for its prompt effect upon coughs.

Beware of substitutes. Ask your druggist for ½ ounce of Pinex with directions, and don't accept anything else. Guaranteed to give absolute satisfaction or money refunded. The Pinex Co., Toronto, Ont.

PREMIER IS URGED TO SUSPEND ORDER

Manitoba Minister Advises
Prompt Attention to Crow's
Nest Rates Matter.

Canadian Press Despatch.

Winnipeg, Oct. 21.—"Under all the circumstances I cannot impress on you too strongly the propriety and necessity of immediate suspension, and your advising your colleagues at Ottawa accordingly."

So read a telegram sent today by Hon. John Bracken, premier of Manitoba, to Hon. W. L. Mackenzie King, premier of Canada. It follows receipt of a message from Hon. G. P. Graham, acting minister, that the Crow's Nest Pass freight rates matter would be considered by the cabinet on the premier's return to Ottawa from his western tour.

H. J. Symington, K.C., counsel for the prairie provinces, telegraphed Mr. Graham urging that the governor-general in council suspend operation of the order of the railway commission which cancels the Crow's Nest rates.

In view of the fact that the order becomes effective Monday next, members of the Manitoba government expressed dissatisfaction with the reply that they would be considered on Mr. King's return to the capital.

13-Year-Old Girl Fails To
Reach Quebec On
Liner.

Canadian Press Despatch.

Montreal, Oct. 21.—Police on both sides of the Atlantic today began to search for 13-year-old Jeanne Vivant, whose inexplicable disappearance either in Cherbourg, where she is said to have boarded the Empress of Scotland, or on the liner itself, has caused her distracted father, who was at the dock in Quebec to meet her when the ship arrived, to appeal to authorities.

Henri Vivant, the father of the girl, who expected his daughter on the Empress of Scotland, was told by the steamer's officers and immigration authorities that the child had not sailed from France, while a travel agency, which was to have put her on board, insisted that she had.

Associated Press Despatch.

New York, Oct. 22.—Helen Petros, 24 years old, who was arrested yesterday in Jersey City, N. J., at a laundry, where she was employed as a sorter, has confessed that she was the lure by which the "Boston blackmail ring" of lawyers extorted \$60,000 from Albert Victor Seals, millionaire artist, according to a detective who questioned her during the night.

The woman also confessed that she was the "bait" in other blackmailing plots that netted the blackmailers more than \$600,000, the police declared. The prisoner is being held as a fugitive from justice for extradition to Boston, where she was wanted on four indictments, charging conspiracy and statutory offenses.

COTTAGES ENDANGERED IN LANDSLIDE AT PORT

A landslide, covering nearly twenty feet occurred at east Orchard beach, Port Stanley, during the past week leaving a cliff as mute testimony of the sudden slide.

At this point there are no breakwaters or piers and with nothing whatever to protect it the land was washed away in a few moments.
