

Conservative Leader to Finish Ontario Tour Next Week-To Proceed Through Ouebec and Maritime Provinces

OTTAWA, Aug. 21.-R. L. Borden closes his Ontario tour in Brockville week from today. His itinerary for the Eastern provinces was annound today, beginning with 'meetings in Montreal on Tuesday, August 29. From Montreal the Conservative leader goes to the Eastern Townships, holding two or three meetings daily. Wednesday August 30 he speaks at Farnham, Granby, and Waterloo; Thursday at Richmond and Sherbrooke; Friday at Cookshire and Lake Megantic.

Leaving Quebec on the 1st of Sep tember, Mr. Borden goes into New Brunswick, speaking at St. Andrews and St. Stephen on September 2; Gage town on September 4; St. John on September 5, and Sussex September 6, He then crosses the straits of Northumberland, and will hold three meetings in Prince Edward Island on September at Summerside and on the 8th at Montague and Charlottetown.

Mr. Borden's Nova Scotia itinerary includes ten meetings, as follows (subject to revision): New Glasgow, September 9; North Sydney, Septembe 11: Hailfax, September 12 and 13 Shelburne and Liverpool Septembe 14: Bridgewater and Lunenburg, September 15; and Windsor and Kentville, September 16.

## May be Deferred

There is again talk around government circles of deferred elections in certain constituencies, including the British Columbia riding of Comox-Atlin and Yale-Cariboo, official confirm ation or denial of these rumors cannot be obtained, the statement being made that the responsibility rests with the returning officers in the ridings affected. It is well known, however, that the returning officers would only exercise the power given to them under the act in this respect after the receipt of instructions from headquarters. Other districts named are: Gaspe

Chicoutimi, Mackenzie, Prince Albert and the Yukon. Owing to the increased growth

western Canada, there will be thirteen thousand votes polled in the coming elections, an increase of fifteen hun dred over the total of last elections. The voters' lists are still going out from the office of the clerk of the crown in chancery, and will not all be distributed for a fortnight.

Conservative organizers are receiving encouraging reports from all the provinces, and there is a strong probability of a defeat of both ministers who participated in the reciprocity meetings in Washington Hon Wm Paterson is said to have little chance in Brant, while Hon. Mr. Fielding will have the fight of his life against Mr. McCurdy in Queen's Shelburne. Mr. Graham's seat in Brockville also is in danger, and the minister will have to stay in his own-district during the

whole of the campaign, with occasional visits to Ottawa.

Although formal in character, the of-fence of which James is accused is de-clared to involve a flagrant violation of the etiquette demanded of a naval of-floer while in a foreign country. With his ship the accused visited Vancouver AT WORK AGAIN B. Gasoline Schooner Meets With Accident While Taking Provisions For Alaska Educational Stations

SEATTLE, Aug. 21 .-- A message received by the local officers of the United States bureau of education from the agent in Nome, Alaska, says that the gasoline schooner F. S. Redfield, of San Francisco, which left Seattle last June with 500 tons of winter supplies for the government schools in Northwestern Alaska, is ashore at Cape Prince of Wales in Bering Strait. The cablegram said that the revenue cutter Bear had gone to aid the Redfield, and if necessary transfer the supplies, which are for the stations on the Arctic ocean, extending from Cape Prince of Wales to Point Barrow, the most northerly point in Alaska. In addition to cargo for the government, the Redfield also carried supplies for the Episcopalian mission at Point Hope.
